The Civil Engineering Students Association (CESA) at the Department of Civil Engineering, Indira College of Engineering and Management, celebrated Shiv Jayanti with enthusiasm and fervor on the 19th of February 2024. The event aimed to commemorate the birth anniversary of Chhatrapati Shivaji Maharaj, the legendary Maratha warrior king.

The celebration commenced with the traditional lamp lighting ceremony, symbolizing the dispelling of darkness and the onset of knowledge. The dignitaries, faculty members, and students came together to light the ceremonial lamp, signifying the auspicious beginning of the event.

Following the lamp lighting, a captivating Powada performance unfolded. Powada is a traditional Marathi art form that narrates heroic stories through rhythmic and dynamic recitation. The talented performers of CESA took the audience on a journey through the valorous tales of Chhatrapati Shivaji Maharaj, captivating everyone present with the spirit of the Maratha empire.

The musical segment of the celebration added a melodic touch to the event. Students showcased their vocal prowess by rendering devotional songs and bhajans dedicated to Chhatrapati Shivaji Maharaj. The lyrics, steeped in devotion and admiration for the great warrior, resonated with the audience, creating a soulful atmosphere.

The highlight of the celebration was the 'Shiv Garjana,' a dramatic representation of the war cries associated with Chhatrapati Shivaji Maharaj and his soldiers. The performance aimed to capture the essence of courage, determination, and the indomitable spirit of the Maratha warrior. The dynamic portrayal left a lasting impact, instilling a sense of pride and admiration among the spectators.

The event successfully brought together the students, faculty, and staff, fostering a sense of unity and cultural appreciation. The Shiv Jayanti celebration by CESA not only showcased the rich cultural heritage but also served as a platform for students to display their talents in various art forms.

The organizing committee of CESA deserves commendation for their meticulous planning and execution, ensuring a seamless and memorable celebration. The success of the event reflects the commitment of the Civil Engineering Students Association to promote cultural awareness and instill a sense of pride in the historical and cultural roots of the nation.

Teachers' Day is a special occasion celebrated with great enthusiasm and gratitude in educational institutions worldwide. It is a day to honor and appreciate the dedication and hard work of educators. This report recounts the memorable Teachers' Day celebration in the Civil Engineering Department at Indira College of Engineering and Management, where students surprised their teachers with tokens of love and appreciation.

The celebration began with an inaugural ceremony held in the department. Students gathered in the staff room to pay their respects to the teachers who have been instrumental in shaping their academic and professional lives. The ceremony featured speeches by students expressing their gratitude and admiration for their mentors.

The most touching moment of the celebration was when students presented diaries to their teachers. Each diary was personalized with heartfelt notes and messages of appreciation. The diaries symbolized the importance of teachers in guiding students on their academic journeys.

Such events not only strengthen the student-teacher relationship but also boost the morale of both students and teachers. It was a day to remember, emphasizing the significance of educators in shaping the future of the engineering profession.

Engineer's Day is celebrated across India on September 15th, the birth anniversary of the legendary engineer Sir Mokshagundam Visvesvaraya. It's a day dedicated to honoring the contributions of engineers to society. At Department of Civil Engineering, this day was celebrated with great enthusiasm, highlighting the importance of engineering in our lives and inspiring the next generation of engineers.

Students of Civil Engineering Students Association organized an event on the occasion of Engineers Day. Mr. Harshal Khakare (B.E. Civil) and Ms. Ishwari Patil (B.E. Civil) hosted the complete event. The event inaugurated by invoking Sir Mokshagundam Vishveshwaraya.

Distinguished engineers and alumnis of the college Mr. Suraj Narkhede & Ms. Neha Rithe were invited to deliver guest lectures. They shared their experiences, insights, and the impact of engineering on their careers. Their speeches motivated students to pursue excellence in the field.

The celebration extended beyond technical events. Cultural performances, like music was organized to infuse a sense of creativity and enjoyment into the day

By fostering an environment of innovation and collaboration, this event reinforced the college's commitment to producing exceptional engineers who will contribute to the betterment of society. The celebration left a lasting impression on students, inspiring them to carry forward the legacy of Sir M. Visvesvaraya and make significant contributions to the world of engineering.
