Subject: Appreciation for Successfully Completing the Consultancy Project for Sri Sudarshan Enterprises

Dear Prof. Sushil Chopde,

I appreciate your remarkable efforts for the successful completion of the consultancy project for "Sri Sudarshan Enterprises, Pune". Your dedication, expertise, and commitment have undoubtedly played a "Crucial role in the successful repair, installation, and commissioning of the 300 Ton screw press of Russian make".

Your in-depth technical knowledge, problem-solving skills, and attention to detail have ensured that the repair and installation processes were executed seamlessly. Your ability to effectively coordinate with the team members, as well as the professionals at Sri Sudarshan Enterprises, showcases your strong interpersonal and communication skills, which are highly commendable.

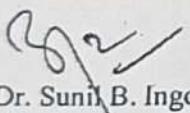

The successful commissioning of the 300 Ton screw press of worth Rs. 2,96,000/- not only reflects your competence in the field but also your dedication to applying theoretical concepts to real-world challenges. As per the research consultancy policy of Indira Group, we are happy to offer you Rs. 88,800/- towards the consultancy share that was transferred to your salary account (Vide Transaction no: 0000305117382778 dt. 11th May 2023)

I am particularly pleased with your commitment to ensuring that the project was completed within the stipulated timeline while upholding the highest standards of quality and safety. Your professionalism and work ethic have left a lasting impression on both our institution and Sri Sudarshan Enterprises.

On behalf of the college, I extend my heartfelt gratitude for your outstanding work on this project. Your dedication and commitment truly embody the spirit of excellence that we aim to foster in our faculty members.

Once again, congratulations on a job well done. I look forward to witnessing more of your impactful contributions in the future.

Best regards,

Dr. Sunil B. Ingole

Dear Sir

Greetings...!

With reference to our meeting held on 8th October 2022, We are pleased to offer a research funding grant in the amount of Rs. 1,98,000/- to support your research activities. This funding is intended to facilitate the successful execution of research projects and to enable you to achieve the outlined objectives and milestones in the area of Engineering and Technology.

The Principal Investigator is required to submit the progress reports at regular intervals and a comprehensive report summarizing the research methodology, findings, and recommendations at the conclusion of the project.

Please sign and return the enclosed copy of this letter as an acceptance of the funding offer. Additionally, kindly provide us with the necessary banking information for the disbursement of funds.

Yours Sincerely

Dear Sir

With reference to the above subject, we are pleased to inform you that your research proposal which you have submitted along with your Co-investigator Dr. V.M Kale entitled "Microwave convective drying of green leafy vegetables" has been shortlisted by the research experts for the research project funded by **Dolphin Labs**. Our goal is to complete this project within one year, enabling you to seek additional funding from various agencies based on the outcomes. The budget sanctioned for your project is Rs. 1,25,000/- (Rupees One Lakh Twenty Five Thousand only), out of which 50% of the amount will be released in the first instalment.

You are requested to apply with the copy of this letter to the undersigned at the earliest to release your first instalment of the sanctioned amount. You are also expected to submit the project review report every 3 months. The advance is to be settled against bills in 15 days after completion of the project phase wise.

Dear Ma'am

New year Greetings...!

With reference to our discussions held with your R&D team we can sanction the funding up to the tune of Rs. 1,64,000/- for your research projects related to drones and solar charging system for Electric vehicles.

- 1) The estimated time to complete the project will be one year from the sanctioned date(10th January 2023).
- 2) The initial design has to be presented to our team during our visit to your Institute.
- 3) Send the project progress report periodically.
- 4) Kindly transfer the bank account details of your Institute to transfer the funds.

Best wishes...!
