### Clean and Plastic free Abhiyan @ICEM, Parandwadi, Pune

Swachha Clean and Plastic free Abhiyan Campaign was organized in our college on September 19, 2022.

The Event started at 3:30 pm when all the members including students, teaching as well as non-teaching staff assembled at “AVIRAT” i.e. the main building of “ICEM”.

consideration. Lastly when all were tired after giving their best for not only cleaning the college campus but also giving their helping hand for making “INDIA” Plastic Free, everyone was given breakfast and the event came to an end.

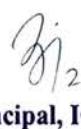

Students from all Department, Student council committee and NSS committee, started the campaign from the Main Gate of our college heading towards the play Grounds. Principal along with professors joined hands with the students in the cleanliness drive.

Also the hostel surroundings, college parking and the front area of main building were taken into

### **Report on Bug Fixer Competition**

**Date:** 27/04/23

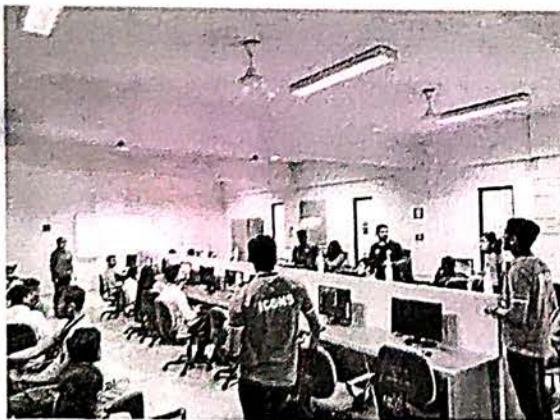

**Venue:** Programming Lab 1 & 2

**Techfest 2023 Infospark Bug Fixer Competition** was held with an idea of challenging student's coding skills and abilities. It welcomed students of all years who passioned to solve bugs and as expected served a huge and enthusiastic crowd.

The competition was held in Programming Lab 2 with two slots, each slot being given time of half an hour to solve the bugs. We held the competition for **C, C++ and Python** languages. The participants were given 3 or 4 code files for the languages C/C++ and Python respectively and had to solve the maximum number of bugs possible within the given time limit. The code files included concepts of libraries, data structures, file handling and exception handling.

The participants were then assessed based on the average time of submission of the codes. With this, we got our winner and a runner up team who could solve maximum bugs. The teams were awarded with a trophy, cash prize and a certificate and a participation certificate for all the participants. Overall, it proved a successful event serving over 30 teams participated and adding as an amazing experience for the students as well.

**Report on  
Escape the Room****Date:** 28/04/23**Venue:** Programming Lab 1 & 2

Day-2 Techfest 2023 Infospark in this event the students participated in teams of two. This game is a time bound game which means participants need to solve all the questions within a certain time frame. In order to escape the room or win the challenge the participants need to solve all three levels with shortest time.

The three levels of this game are

Level 1: Quiz

Level 2: Solve the query

Level 3: Hacker rank

**Level 1**

The first level is basic software related quiz each team has to solve 10 questions in order to proceed further to next level. In this round they compete with themselves to solve 10 quizzes as soon as possible.

**Level 2**

The next level is called solve the query here the participants are giving some problem statements they need to solve and write a code for it. The jury will than examine the solutions written by the participants and decide whether it's correct or not. In this round the participants will be given three problem statements to solve, once jury gives the green flag then the team will proceed to the next level.

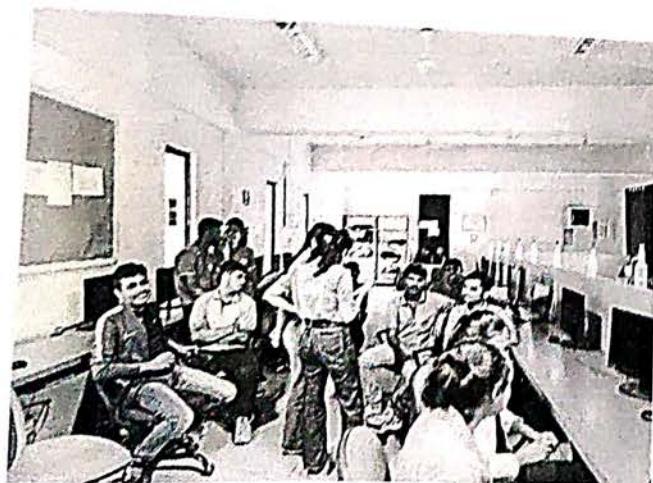

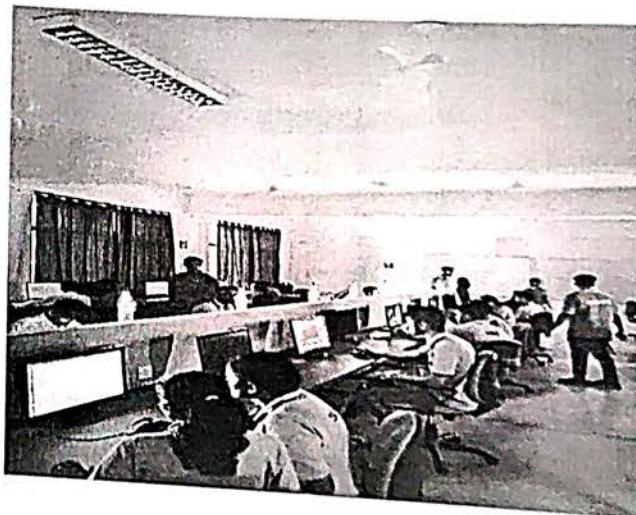

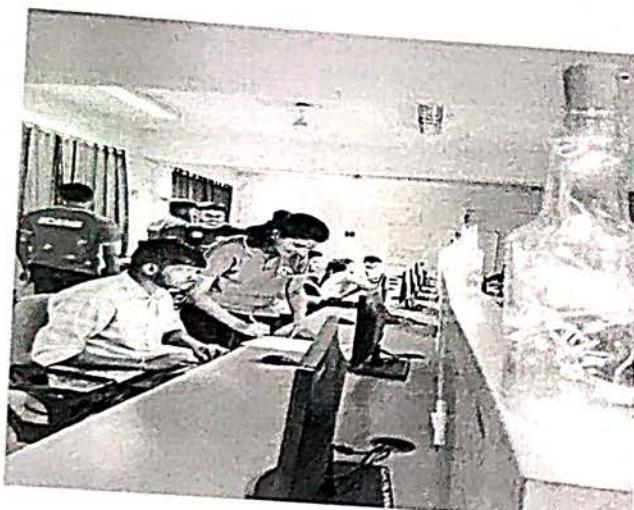

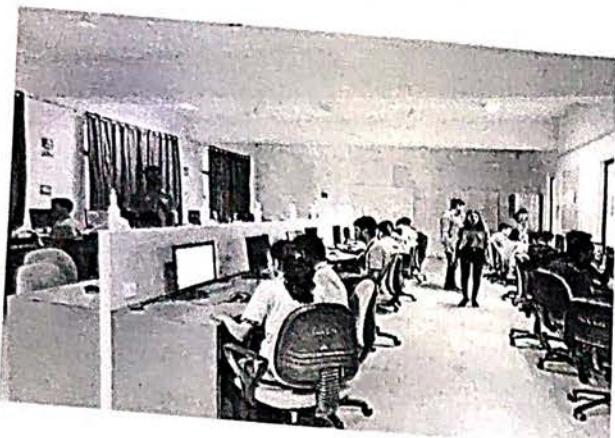

**Level 3**

Third level and the final level, this level is a hacker rank where the team has to find the solution to given problem statements the team will code the correct solution will win the challenge or escape the room first.

This event was a successful event as we had total of 16 entries out of which two teams were from other colleges and the final time taken by the participants to complete the challenge was also close to each other making the game more interesting and competitive.

### Report on Project Competition

Techfest 2023 Infospark Idea competition is an initiative to provide student a platform to present implemented solution of the problem statement they have chosen.

Department of Computer Engineering has organized Project competition under Techfest 2023 Infospark on 27<sup>th</sup> April 2023 for different domains like AI, Cyber Security, Cloud Computing, Blockchain Technology, etc. Web applications and desktop based applications were also allowed for the competition. Total 20 teams had participated in the competition of which 4 teams were from other college and remaining were from the department.

All teams were assessed by Jury members. Total 3 panel of jury members were appointed. After their meticulous evaluation 2 teams were shortlisted. Winning teams were awarded with memento, certificate and cash prizes.

 Department of Computer Engineering  
 ICEM

Our institute is grateful for the time & effort you took to evaluate participants and share your thoughts in Project Competition conducted under Techfest 2023 Infospark on 27<sup>th</sup> April 2023.

Please accept our sincere appreciation for the outstanding interaction in the competition. Since we are entering a new growth phase on our campus, your comments were very timely. I believe students can benefit immediately from this competition and achieve objectives of this competition. Your enthusiasm is contagious, and we hope to use your suggestions in upcoming events. It was very interesting to hear about your experiences.

Thank you again for your precious time

### Subject – Thanking Letter for Guest Lecture

Respected Sir,

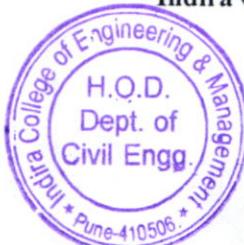

This is to thank you for sparing time for our student for Guest lecture on 15 September 2022 on the occasion of Engineer's Day. It would enhance the knowledge of our student about idea to use Python in Civil Engineering. Your kind presence in the class encouraged the student a lot and made more confident in the field. It was a great pleasure for our student.

Your suggestions have provided a guideline to proceed more precisely for the betterment of Civil Engineering. We hope that this kindness and cooperation will remain continue in the future.

With Warm Regards,

Prof. Sujata Deo  
Head of Department  
Civil Engineering Department

### **CESA ACTIVITY REPORT**

<b>Title</b>	-	SE Confluence 2023
<b>Date</b>	-	11 <sup>th</sup> February 2023.
<b>Location</b>	-	Vivekananda Hall
<b>Time</b>	-	11:00 AM Onwards

Every student eagerly awaits right from their time of admission for their most remarkable welcoming event of the college. The 11<sup>th</sup> of February 2023 was as a memorable day in the life of every fresher of academic year 2022-2023 batch at Department of Civil Engineering, ICEM. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

The purpose of Confluence 2023 is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Student of SE (Batch 2022-23) were welcomed by the Civil Engineering Students Association.

The program started with a welcome speech by Mr. Anirudh Shinde and Mr. Prathamesh Suryawanshi and followed by a Welcome Song. The program was hosted by the students from Final Year Civil Engineering Department. Small games were organized to make the function trickier and fun. Songs and Dances were performed by T.E. and B.E. students for their juniors. Later freshers along with their seniors got chance to showcase their talent by a stunning Ramp walk. The freshers walked on the ramp and gave poses towards the audiences. The audiences enjoyed the ramp walk and they encouraged the participants by making hooting sounds.

Academic Toppers were Felicitated for their excellence by giving merit certificates. Their hard work and dedication was appreciated. And rest of the students were encouraged.

Mister Fresher and Miss Fresher were finalized from each class.

<b>Mister Fresher</b>	-	Mr. Kaustubh Ovhal
<b>Miss Fresher</b>	-	Ms. Anushka Gaikwad

Finally, a vote of thanks was given by Ms. Anjali Kavare Patil, student of Final year. Followed by a DJ evening.

**Subject : "Thanking Letter for Guest Lecture"**

Respected Sir,

I extend my sincerest gratitude to you for providing thorough technical guidance on "Fire Safety and Industrial Safety" to students and faculties of our Department. The expert guidance given by you will definitely boost more students to consider undertaking career from Health and Safety. This lecture surely has enhanced the knowledge of our students on different aspects related to safety measures to be taken as Site Engineers in their professional life.

It was indeed a great pleasure having you as an expert speaker, I hope the same kindness and cooperation towards us will continue in the future.

With warm regards,

Yours truly,

<b>Title</b>	-	Earth Day Celebration
<b>Date</b>	-	22 <sup>nd</sup> April 2023.
<b>Location</b>	-	Talegaon Lake
<b>Time</b>	-	7:00 AM Onwards

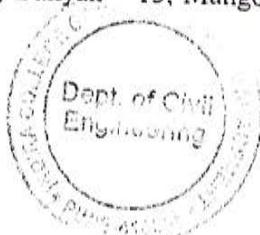

EARTH DAY is celebrated around the world with a beautiful message - "Our continuing efforts in our everyday lives will make this beautiful planet thrive." Earth Day is a proof that even one person can make a global impact in a positive way. Echoing the same, Department of Civil Engineering celebrated "The Earth Day" through Tree Plantation activities on 22<sup>nd</sup> April 2023 in coordination with **Talegaon Dabhade Nagar-Parishad**.

The Ministry of Environment, Forest and Climate Change (MoEFCC) is implementing plantation/afforestation schemes in the forest areas with participatory approach. The plantation species under the schemes is selected by the implementing agencies/the members of Joint Forest Management Committees (JFMC) on the basis of their needs, ecological conditions and other local factors in consultation with the Forest Department. The conservation and development of forest primarily involves three strategies – afforestation through natural/artificial regeneration, protection and management. The ministry is implementing three major schemes for development of forest areas i.e. National Afforestation Programme (NAP) scheme, National Mission for a Green India (GIM) and Forest Fire Prevention & Management Scheme (FFPM). In which NAP is being implemented for afforestation of degraded forest lands.

All this is to achieve the goals set by National Forest Policy of India, i.e. the ideal percentage of total geographical area under forest should be atleast 33% to maintain ecological stability.

Keeping everything in mind we selected such plants which are most popular oxygen - producing tree. Trees like Peepal, Banyan, Mango and Tamarind were selected.

Students were very enthusiastic about the whole program and arranged the complete drive by their selves. We purchased 50 Saplings (Peepal – 15, Banyan – 15, Mango – 10 and Tamarind – 10) from Government as well as Private nurseries.

<b>Title</b>	-	CESA Activity
<b>Date</b>	-	02 June 2023.
<b>Event</b>	-	Farewell 2023

Farewell is basically a get to gather kind of celebration for the seniors who will be soon stepping out of that particular institute. Hence juniors wish their seniors a good luck for their next big adventures in various forms like singing, dancing, with motivational speeches or by felicitating them.

On 02<sup>nd</sup> June 2023 the students from TE and SE, arranged a farewell party to the final year outgoing students. The event started with lunch arranged for all Civil Engineering Students and faculties.

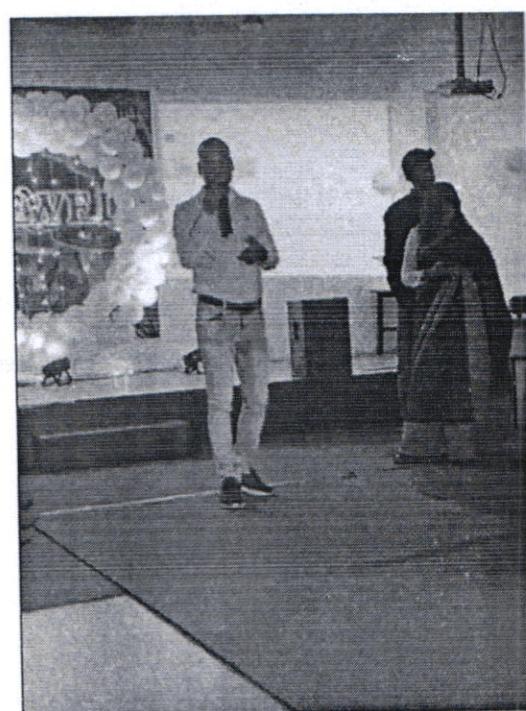

The Function started with a speech by Prof. Vijay Kumar Saini, who was the class coordinator of the passing out class for last 3 years, and followed by fun games which were conducted by the juniors to the seniors such as Blast the Balloon, Don't drop it, Drep the Saree, etc.

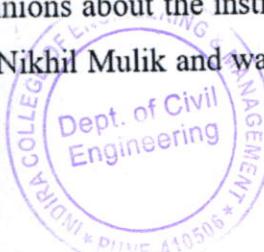

The program was further followed by video clip of memories of BE students made by TE student.

Each faculty shared their experiences and memories they have with the passing out batch.

Later the final year students were asked to give their opinions about the institution and the staffs. Program was concluded with vote of thanks by Prof. Nikhil Mulik and was followed by DJ.

## Mechanical Engineering Department

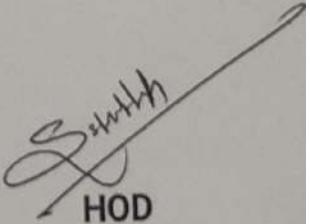

Mechanical Engineering Students Association (i-MESA) and Department of Mechanical Engineering organized MAVERIX 21.23 on 27th April 2023. This has been the 14th year of MAVERIX. This year i-MESA organized four technical and non-technical events during MAVERIX 21.23 like Lathe War, Project Competition ,Poster Presentation.

Students actively participated in all events, some students from different engineering colleges in Pune. Departmental newsletter MECHAZINE 21.23 was also published by dignitaries. MECHAZINE 21.23 giving platform to students to showcase their talent through articles, poem, and sketches also brief the various departmental activities throughout the semester.

The winners of MAVERIX 21.23 was felicitated by the dignitaries. Hon. Principal Dr. Sunil Ingole, HOD Mechanical Prof Shirbhate , MESA staff coordinator Prof. Ashwini Gaikwad. All Students, Teaching and non-teaching staff were present during the program. The MAVERIX 21.23 was a great success.
