Subject: - Invitation for a Session on "Career in Entrepreneurship"

Dear Sir,

Indira College of Engineering and Management (ICEM) was established in 2007 under the aegis of Indira Group of Institutes. The institute is approved by All India Council of Technical Education (AICTE), New Delhi and Govt. of Maharashtra and Affiliated to the Savitribai Phule University of Pune. The Institute is also Accredited by NAAC. The institute currently has undergraduate Engineering programs wiz. Civil Engineering, Computer Engineering, Mechanical Engineering, Artificial Intelligence and Data Science and also have post graduate programmes in MBA & MCA.

We would be delighted if you could address our students on "**Career in Entrepreneurship**". I am very pleased to have the honor of inviting you to our college for an enlightening session on 17th April 2023 from 2.00 pm onwards.

Please do accept our invitation and do revert with the confirmation about the same.

Yours' truly

Dr. Soumitra Das

Report of Alumni Interactive Session

Date of the session: 9th July 2022, Saturday**Mode:** Online Mode MS Team Platform**Time:** 11:00am Onwards**Resource person:** Mr. Aditya Mehta**No. of students attended session:** 43 (MBA I SEM I)**Student Coordinator of session:** Ms. Bhagyashree Vaishnav**Faculty Coordinator of session:** Asst. “Let's Talk Business” (ICEM MBA)
Alumni interactive session.

ICEM MBA conducted the very first session of the series Let's Talk Business on 9th July, 2022.

The concept of alumni association evolved for needs from both the ends, i.e., academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

We invited our Alumni Mr. Aditya Mehta from batch 2019-2021. He works at Huron Eurasia India Pvt. Ltd. Noida as associate EPM consultant.

In this session Mr. Aditya Mehta involved many students in the talk by keeping the session informative and interactive. He addressed many doubts of the students regarding Academics, jobs, job roles, placement scenarios, skills required, important certification students must be doing. He very well explained the difference between what we learn in a MBA college and what is the real life at the corporate, when a company comes for the placements in the college what it expects from the students who are fresher as well as from those who have the work experience. He also explained students about how one should tackle the interview very well and also stated the importance of skills, knowledge, and confidence among the students. He shared his tips for the Interview as well as for the Group Discussion. At the end he addressed all the doubts and questions from the students. And the session ended successfully with the vote of thanks.
