

## EXPRESSION OF INTEREST – YOUTH EMPOWERMENT PROGRAM

## Centre of Excellence (CoE)

College Name : Indira College of Engineering & Management  
Location : At post- Parandwadi, Tal- Mawal, Dist- Pune  
District : Pune  
State : Maharashtra.

With reference to the communication from ICT Academy, we hereby confirm our willingness to be an implementation institution for ICT Academy for the "**Youth Empowerment Program**" – Centre of Excellence, powered by Honeywell. We prefer to get our students trained and certified in "**UiPath Certified RPA Associate (UiRPA)**".

We confirm the following.

1. We confirm that our institution will nominate 110 Student Youth from final year graduating students of Engineering Circuit branches / BSc. CS, BSc IT & BCA as per the eligibility criteria.
2. We confirm to provide 100 Hours of the training schedule for the Virtual / Live ILT classes and ensure students complete 100 Hours of training on the course on Technology specified by ICT Academy.
3. We confirm to nominate 4 Women Faculty Members as part of this program as mentors along with the Student Enrollment Sheet.
4. We ensure that there will not be any dropouts from the nominated list of students.
5. We confirm that the nominated mentors will be part of the training program and will facilitate student involvement and participation.
6. We confirm to facilitate Student training, Assessments, Volunteering Sessions, Hackathons, and Placement activities to be organized by ICT Academy and Honeywell under this initiative.
7. We confirm to execute this unique "**Youth Empowerment Program – Centre of Excellence**" successfully in the next 6 months.

Nomination of Program Coordinator for this Program.

**Dear Sir / Madam,**

Greetings from ICT Academy!

ICT Academy is an initiative of the Government of India in collaboration with the State Government of Tamil Nadu and Industries. ICT Academy is a Not for Profit Society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavors to train the higher education teachers and students thereby exercises on developing the next generation of teachers and industry-ready students.

ICT Academy in its endeavour to create a new generation talent pool has been working all along with Government Departments and Corporates in initiating Skill Development Training Programs for the youth in various sectors.

Honeywell has inked a MoU with ICT Academy to implement its CSR initiative across states in India to skill graduating final year students on Advanced IT Skills. Honeywell seeing abundant job opportunities available for the youth in the IT & ITES industry, has initiated to skill the graduating final year students from the rural and low-income family groups, thus helping them build their socio-economic levels. The objective is to skill the student youth and prepare them to be deployable resources.

ICT Academy through its Institutional tie-ups for skilling youth has taken up the responsibility to implement the initiative. We request the Institution to facilitate the students to make use of this opportunity and nominate 110 Youth students for the training. The features of the training are given below.

### **Salient features of the Training Program**

- Establishing a Centre of Excellence (COE) under the CSR initiative of Honeywell.
- The COE is for skilling 110 students in Advanced Technology, in demand in the industry.
- Curriculum is mapped to Global Industry Standards.
- Joint Certification by Honeywell and ICT Academy to the youth successfully completing the training.
- 100 hours of activity-based and hands-on training.
- The Certificate Program is fully sponsored by Honeywell supported by ICT Academy and offered free of cost to the Youth students.
- Placement drives would be organized for students successfully complete the training.

### **Mode of Delivery of the training**

- The Training will be delivered through In-Class Training and Blended Training.

### **Mandatory Requirements**

- Only students passing out in 2023 is to be nominated.
- Nominated students should be underprivileged Youth students who are
  - With a family income of less than or equal to Rs.3,50,000/- per annum or
  - Differently abled or
  - First Graduate in the family or
  - Single Parent Child
  - Supported by Guardian

- Registered candidates have to give a self-declaration of the above.
- Registered candidates have to give a declaration of completing the course.
- Candidates must be willing to take up a job.
- Candidates should register in the link shared.

### **Assessment & Certification**

- Candidates must clock a minimum of 85% attendance.
- Internal assessments through mock sessions and workshops will be conducted.
- There will be a final assessment conducted.
- Successful Youth students will be issued with a joint certification from Honeywell and ICT Academy.

### **Placement Facilitation**

- ICT Academy has a Strategic Alliance Department to collaborate with the Corporates to take care of supplying resources.
- Year on year ICT Academy has been increasing its tie-up with local and city-based companies for recruitment opportunities for trained resources.
- Will organize placement drives for placement opportunities for the trained youth.

### **Who Can Apply?**

- Students pursuing Final year graduation in Circuit Branches in Engineering – BE CS, BE IT, BE ECE, BE EEE / BSc CS or BSc IT or BCA or BSc Mathematics or BSc Statistics (2023 Passing Out).
- Students with 60% and above throughout their academics. (in Class X, Class XII and in graduation up to the current semester).

### **Role of the Institution:**

- Nominate 4 Women Faculty members who will act as Mentors in the conduct of the training and be part of the training and activities of the COE.
- The nominated mentors and SPOC should be responsible for the overall coordination and support for the success of the initiative.
- The nominated mentors and SPOC of this initiative is to monitor and facilitate any requirements which is needed to be provided by the students nominated for this initiative.
- Mobilize the final year students in Circuit Branches in Engineering – BE CS, BE IT, BE ECE, BE EEE/ BSc CS or BSc IT or BCA or BSc Mathematics or BSc Statistics – 2023 pass out students.
- 110 Students to be selected and ensure that they do not discontinue the training.
- Details of 110 students selected to be submitted in the Enrollment Sheet (Format Attached). The details are to strictly adhere to the format given.
- Put up the Name Board and Standees of the COE in front of the Computer Lab and in the entrance of the College for visibility. A background banner is to be put for the Inaugural of the Program Launch – A template will be provided by ICT Academy.
- Facilitate an audio-visual room for the theory classes when required.
- Facilitate a Computer Lab to accommodate 110 students for the practical classes when required.
- Organize for inauguration & valedictory programs for the training to be launched and certificate distribution after the training in the Institution.
- As part of the initiative ICT Academy and Honeywell will be organizing for Volunteering Sessions, Hackathons, and other student empowerment programs, for which the Institution is to provide support.
- Arrange for Photo & Video Shoots of the Inauguration, a few training activities, and the valedictory function using a professional camera.
- Submit all acknowledgments and reports as per the requisites of the Project.

### **Role of ICT Academy:**

- Will provide the trainers to conduct the training.
- Provide the Course Materials for the Students.
- Will provide the template for Printing of Banner / COE Board and Standees.
- Will organize Employee Volunteering Sessions. Hackathons and Empowerment Programs.

Kindly confirm your willingness to host the above said Centre of Excellence Skill Training in Advanced IT Skills for the graduating students by a reply mail with the filled in, signed and sealed copy of the Expression of Interest Form attached, on or before **7th. August 2022**.

Kindly send the list of 110 nominated Students and 4 nominated Women Mentors in the format attached. Please note that Students who have been nominated in other ICT Academy Projects in 2022-23 cannot be nominated for this COE. **The Expression of Interest and the Student Enrollment Sheet is to be sent to Mr. Narendra Kumar who will be the SPOC from ICT Academy for this initiative. You can reach Mr. Narendra Kumar at [naren@ictacademy.in](mailto:naren@ictacademy.in) and 95001 32795.**

Looking forward to be associated with the Institution in providing this one-time opportunity to the students in your Institution.

**Sub:** An opportunity for Graduating Final Year Students to make them industry-ready through “**Certificate Course in Advanced IT Skill Training**” – A CSR initiative of Inspirisys Solutions Limited in association with ICT Academy – Requesting for Expression of Interest to host the training.

Dear Sir,

Greetings from ICT Academy!

ICT Academy in its endeavor to create a new generation talent pool has been working all along with the Government and Corporate in initiating Skill Development Training Programs for the youth in various sectors.

Inspirisys Solutions Limited has inked a MoU with ICT Academy to implement its CSR initiative in 4 States to skill over 350 graduating final year students from IT, CSE or ECE Departments. Inspirisys Solutions Limited, seeing job opportunities available for the youth in the IT/ITES industry, has initiated to skill the graduating final year students from the rural and low-income family groups, thus helping them build their socioeconomic levels. The objective is to skill the youth and prepare them to be employed.

ICT Academy through its Institutional tie-ups for skilling youth has taken up the responsibility to implement the initiative. We request the Institution to facilitate the students to make use of this opportunity and nominate **35** students for the course “**Cloud Foundations**” under the Advanced IT Skill Training Program.

#### **Salient features of the Training Program**

- The Certificate Program is fully sponsored by Inspirisys Solutions Limited under its CSR initiative and is provided at no cost for the students.
- Curriculum designed to skill beneficiaries for entry-level jobs.
- **80 (Technical-60 Hrs. and Soft Skill -20 Hrs.) Hours** of intensive activity-based training.
- Training imparted to the needs of the industry to make the students industry-ready resources.
- Facilitation of employment opportunities for trained candidates.

**Course Name :**

### **Cloud Foundations**

#### **Modules**

- Introduction to Cloud
- Virtualization
- Cloud Economics and AWS Infrastructure
- Compute
- Storage
- Virtual Private Cloud (VPC)
- Databases
- Balancing, Scaling and Monitoring
- Cloud Security
- Billing and Support

#### **Mandatory Requirements**

- Registered candidates to give a declaration of completing the course
- Candidates must be willing to take up a job
- Should have registered in the link shared.

#### **Assessment & Certification**

- Candidate must clock a minimum of 85% attendance
- Internal assessments through mock sessions and workshops will be conducted
- An online assessment will be conducted
- A joint certification from ICT Academy and Inspirisys Solutions Limited will be issued.

#### **Placement Facilitation**

- ICT Academy has been into inviting corporate of different sectors to its fold for the supply of skilled resources.
- ICT Academy through its Strategic Alliance Department works year on year in signing up corporates for the supply of trained deployable resources.
- Will facilitate placement opportunities for the trained candidates.

#### **Who Can Apply?**

- Students pursuing final year graduation in IT, CSE, or ECE – 2023 pass-out students.
- Meritorious but financially backward students.

**Role of the College:**

- Nominate a full-time Co-Ordinator for coordination in the conductance of the training.
- Mobilize the final year students from IT, CSE, or ECE Departments. No. of students to be nominated for the training is 35.
- Details of the students selected to be submitted in the Enrollment Sheet.
- Ensure the students nominated are compulsorily attending the training and completing the assessments.
- Facilitate an audio-visual room for the theory classes if required
- Facilitate a Computer Lab to accommodate the students for the practical classes if required.
- Organize for inauguration & valedictory programs for the training to be launched and certificate distribution after the training in the College
- Arrange for Photo & Video Shoots of the Inauguration, a few training activities, and the valedictory function.
- Submit all acknowledgments and reports as per the requisites of the Project.

**Role of ICT Academy:**

- Will provide the trainers to conduct the training.
- Provide the Course Materials for the Students.
- Will provide the template for Printing of Banner if required.
- Will organize the assessments and certification for the students

Kindly confirm your willingness to host the above said "Advanced IT Skill Training". Request you to fill out the Expression of Interest form attached and send it to [balamurali@ictacademy.in](mailto:balamurali@ictacademy.in) on or before 25<sup>th</sup> July'2022.

Kindly send the list of nominated students in the Student Enrollment Sheet format attached on or before 27<sup>th</sup> July'2022.

Looking forward to be associated with the Institution in providing this one-time opportunity to the students in your institution.

# World Youth Skills Day

Honeywell iGNITE

"Honeywell iGNITE" is an exclusive event organized to commemorate "World Youth Skills Day" scheduled on 15<sup>th</sup> July. This half- day volunteering exercise supported by Honeywell experts would feature multiple tracks on highly technical issues or to teach the fundamentals of a specific application to pre-final / final year engineering / Arts & Science graduate students across the Nation.

At each seminar, experts from Honeywell will give an informal talk about the research cum latest development happening in the field, which has direct cum indirect impact on the business. This will be followed by activities of questions/suggestions/brainstorming.

The event is organized with a sole objective of igniting the young minds, which leads to some interesting cross-disciplinary thoughts and get some new ideas and directions about their research and on the life skills. It also enhances the essential academic skills, develop, and utilize critical thinking skills which are considered necessary for academic success.

## Theme:

Employability to Deployability – The Post-Pandemic Scenario.

## Focus Areas:

- Employability Skills for The Future
- Developing Interpersonal Skills
- Establishing Goals and Priorities
- Strategic Thinking and Effective Decision Making
- Career Opportunities in Core Engineering
- Career Opportunities in IT / Ites Sector
- Essential Interview Skills
- Effective Methods of Developing Skills
- Improving Leadership Effectiveness
- Future Of Technologies
- Effective Communication Skills
- Resume Writing
- Interview Preparatory Skills

## For Whom?

- Students of ICT Academy Member Institutions.

Framework:

Time	Session
10:00 AM - 10:20 AM	<i>Inauguration</i> <i>Head of the Institution/HODs along with Honeywell Volunteers</i>

### One Page Report On World Youth Skill Day

**Date:** 23<sup>rd</sup> July 2022

**Time:-10.30 AM-11.50 AM**

**Venue:** Online

#### Program Details:

Indira College of Engineering and Management organized exclusive event on "World Youth Skill Day" in association with Honeywell iGNITE through ICT Academy on 23/7/2022 for all Engg./MBA/MCA students. The experts from Honeywell has given an informal talk about the Career Opportunities in IT/ITES sector and Interview Skill in the field, which has direct cum indirect impact on the business.

- Interview Skill
- Hard skills vs Soft skill like communication skill, leadership, flexibility and time management
- Method to gain skills like e-learning, Training courses & workshops, webinars and YouTube, on the job training and Blog & books
- Tips for acquiring and mastering new skills

This has been followed by activities of questions/suggestions/brainstorming.

Principal,  
Indira college of Engg. and Management, Pune  
principal@indiracem.ac.in

Qualification: M.E, P.hd in Engineering.  
Experience: 25+ Years in Teaching  
Publications: 02+ papers in National & International Conferences & Journals  
Author of various Books: Books on Engineering Methodology, Quality Control, Thermal Engineering  
Received Best Principal Award from Telgaon Steel City.  
Received Best Teacher Award from "Mysra Group" Pune.  
Received Best Teacher Award from Police Parvati Margarine.  
Outstanding contribution in Education, National Education Awards By AMPP News.  
Membership of Professional Bodies : ISTE, Institute of Engineers (India), ISHMT

Email: sbingole@rediffmail.com  
Mob.No.- 9422340379

Before you go into an interview, it's important to spend time researching both the company and the position you're interviewing for. This will help you understand the company's culture, mission, and values, as well as the specific requirements for the position you're applying for.

Interviews can be a bit daunting, but an interview is a mutual exchange of information between two parties. It's an opportunity for you to showcase your skills and experience, and for the interviewer to assess if you're a good fit for the company.

Set interview expectations. Before you go into an interview, it's important to understand what to expect. This includes knowing what to wear, what to bring, and what to expect in terms of the interview process.

Be ready for difficult and awkward questions at interviews. You may be asked questions that you don't know the answer to, or questions that make you uncomfortable. It's important to stay calm and composed, and to answer the questions to the best of your ability.

Methods to gain Skills

1. On-the-job training
2. Training courses & workshops
3. E-learning
4. Webinars & YouTube
5. Blogs & books

**Sub:** Thanks for accepting Invitation as a Guest for the World Youth Skill Day and addressing the gathering.

Dear Sir, Greetings for the day...!

Thanks for accepting Invitation as a Guest speaker for the the World Youth Skill Day and addressing the gathering at Indira College of Engineering and Management on 23/07/2022.

Sir, we are thankful to you for accepting the invite and delivering Technical session on "Interview Skills," and putting light on the 7 advanced tips and examples for Interview.

Our students found the session very informative and interacted with you on few aspects of the concept. The session was well received by the audience. Our wholehearted wishes to you for making yourself available for the event.

We look forward to have the same cooperation and warm bonding with you. We would like to connect with you in near future for similar activities.

Thanks for honoring us.
