

## Report on Brigadier Sushil Bhasin's Faculty Development Program: Employing Optimal Instructional Strategies for Student Training

Date: 24<sup>th</sup> & 25<sup>th</sup> Nov 2023

Time: 10 am to 5 pm

Venue: Swami Vivekanand Hall, ICEM

**Introduction:** Brigadier Sushil Bhasin's Faculty Development Program (FDP) on "Employing Optimal Instructional Strategies for Student Training" held on November 24th and 25th, 2023, was an enlightening and engaging experience. The two-day event focused on techniques to enhance student engagement, captivate their attention, and the benefits of active teaching pedagogies.

**Engaging Students in the Classroom:** Brigadier Bhasin's expertise was evident in his discussions on effective strategies to engage students. He emphasized the importance of creating an interactive and dynamic learning environment. Techniques such as incorporating multimedia, real-world examples, and interactive discussions were highlighted. The session provided practical insights into tailoring instructional approaches to various learning styles, ensuring a more inclusive and participative classroom.

**Captivating Student Attention:** One of the key takeaways from the FDP was the discussion on capturing student attention. Brigadier Bhasin introduced innovative methods to make learning more appealing, such as incorporating technology, storytelling, and humor into lectures. The importance of creating a positive and stimulating atmosphere to foster curiosity and interest among students was a central theme throughout the program.

**Active Participation of Faculty:** Brigadier Bhasin's approach went beyond theoretical discussions; he actively involved the faculty in various activities, notably the "Rule of 35." This hands-on exercise allowed participants to experience firsthand the impact of different teaching methodologies on student engagement and comprehension. The practical application of

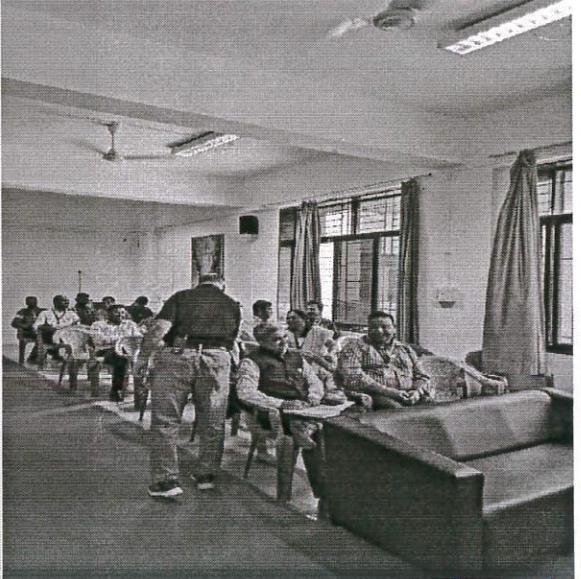

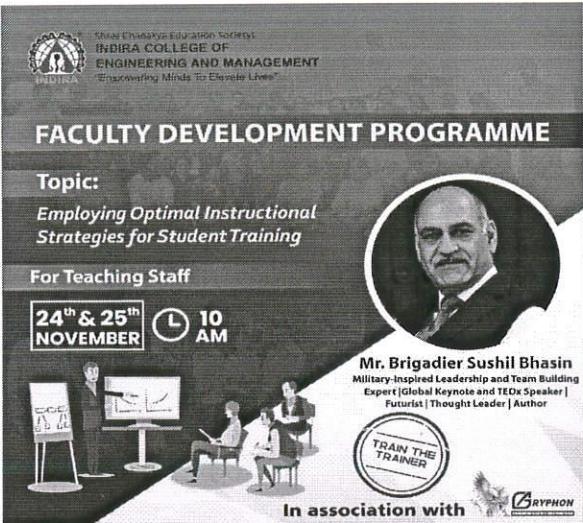

instructional strategies enhanced the understanding of their effectiveness and adaptability in diverse academic settings.

**Benefits of Teaching Pedagogies:** The FDP delved into the benefits of employing varied teaching pedagogies, emphasizing the positive impact on student learning outcomes. Brigadier Bhasin stressed the need for faculty members to explore and implement innovative approaches, adapting to the evolving needs of the student population. The session inspired participants to embrace a student-centered teaching philosophy, fostering an environment that encourages critical thinking and active participation.

**Conclusion:** Brigadier Sushil Bhasin's FDP left an indelible mark on the participating faculty members. The program not only provided theoretical insights into optimal instructional strategies but also facilitated practical applications through engaging activities. The emphasis on active participation and the interactive nature of the sessions made the FDP a valuable experience, equipping the faculty with tools to create vibrant and effective learning environments. The event underscored the importance of continuous professional development in the ever-evolving landscape of education. Brigadier Bhasin's expertise and engaging teaching style contributed significantly to the success of the program, leaving participants inspired and better equipped for the challenges of modern education.

To

Brigadier Sushil Bhasin,  
 Transformational Coach, Master Trainer

I trust this letter finds you in good health and high spirits. On behalf of [Your Institution's Name], I am writing to extend an invitation for you to conduct a Faculty Development Program (FDP) on "Employing Optimal Instructional Strategies for Student Training" on November 24th and 25th, 2023.

We are highly impressed by your distinguished career and expertise in instructional strategies. Your wealth of experience and profound insights in this field make you an ideal candidate to lead this FDP, providing valuable guidance to our faculty members.

Details of the FDP are as follows:

Event: Faculty Development Program on "Employing Optimal Instructional Strategies for Student Training"

Dates: November 24th and 25th, 2023

Time: 10:30 am to 4:30 pm

Location: Swami Vivekanand Hall, ICEM

We believe that your expertise and engaging teaching style will greatly benefit our faculty members, enabling them to enhance their instructional methodologies and, consequently, contribute to the overall improvement of the academic experience for our students.

We hope you will consider our invitation favorably and join us in this endeavor. Your acceptance of this invitation would be an honor for us, and we are confident that your involvement will significantly contribute to the success of this program.

Please feel free to contact us if you have any questions or if additional information is required. We eagerly await your positive response and the opportunity to welcome you to Indira College of Engineering & Management.

Thank you for considering our invitation, and we look forward to the possibility of collaborating with you.

Warm regards,

  
 Dr. Sunil Ingole  
 Director-ICEM

Date: 25/11/2023

To

Brigadier Sushil Bhasin,  
Transformational Coach, Master Trainer

**Subject: Heartfelt Gratitude for the FDP on "Employing Optimal Instructional Strategies for Student Training" - November 24th and 25th, 2023**

Dear Brigadier Sushil Bhasin,

I am writing to express my sincere gratitude and appreciation for your invaluable contribution to the Faculty Development Program (FDP) on "Employing Optimal Instructional Strategies for Student Training" conducted on November 24th and 25th, 2023.

Your insightful sessions and expertise in the field have left an indelible mark on all the participants. The comprehensive understanding you shared regarding instructional strategies and their effective implementation has undoubtedly enhanced our pedagogical approaches. Your commitment to fostering a conducive learning environment for students is commendable.

The two-day FDP proved to be not only informative but also transformative for all the attendees. Your ability to engage the audience and address their queries with clarity and precision further enriched the learning experience.

We deeply appreciate the effort and time you invested in preparing and delivering the content, making the FDP a resounding success. The knowledge and skills acquired during these sessions will undoubtedly have a positive impact on our teaching methodologies, ultimately benefiting the students under our guidance.

Once again, thank you for your dedication, expertise, and enthusiasm in conducting this FDP. We look forward to more opportunities to collaborate and learn from your wealth of knowledge in the future.

Warm regards,

Dr. Sunil Ingole

Director-ICEM

Thanks for your kind words

**NOTICE**

This is to inform you that a Faculty Development Program (FDP) on "Basic to Advance English Language Training" has been scheduled for Saturday, 24th Feb 2024. Attendance for this session is compulsory for all faculty members.

*Please note that faculty members are not permitted to avail leave on this day, as participation in the FDP is vital for professional development and enhancement of teaching methodologies.*

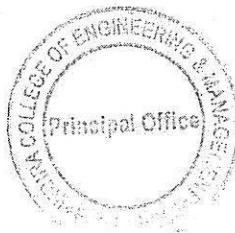

**Details of the FDP:**

<b>Date:</b> Saturday, 24th Feb 2024
<b>Time:</b> 10 am to 2:30 pm
<b>Venue:</b> Sir Visvesvaraya Hall

The FDP aims to provide valuable insights, training, and resources to support your continued growth as educators. Your active participation is crucial for the success of this program.

Thank you for your attention.

## One Page Report on Faculty Development Program (FDP)

**Date:** February 24, 2024

**Time:** 10:00 AM - 3:00 PM

**Venue:** Sir Vishweswarayya Hall, Indira College of Engineering and Management

### **Introduction:**

Indira College of Engineering and Management organized a Faculty Development Program (FDP) on February 24, 2024, aimed at enhancing the English communication skills of teaching faculty. The event was held at the prestigious Sir Vishweswarayya Hall within the college premises.

### **Objective:**

The primary objective of the FDP was to equip the teaching faculty with effective English communication skills, thereby enhancing their ability to convey concepts clearly and interact proficiently with students and colleagues.

### **Participants:**

The FDP witnessed an encouraging participation of 45 teaching faculty members from various departments and disciplines within the college. The diverse attendance ensured a comprehensive learning environment and exchange of ideas.

### **Program Highlights:**

The FDP was meticulously structured to cover various aspects of English communication relevant to teaching professionals.

#### **The program included:**

**Interactive Sessions:** Engaging sessions were conducted by seasoned language experts, focusing on improving spoken English, effective communication strategies, and overcoming common language barriers.

**Role-plays and Activities:** Participants actively participated in role-plays and communication activities designed to simulate real-life teaching scenarios, enabling them to apply the acquired skills.

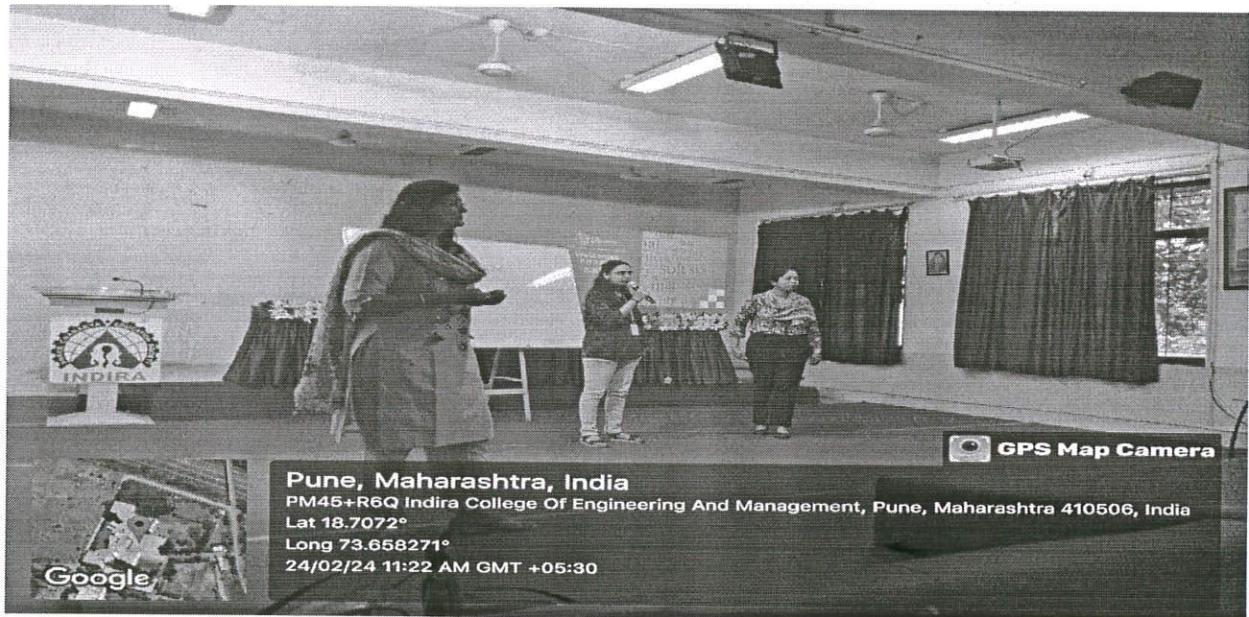

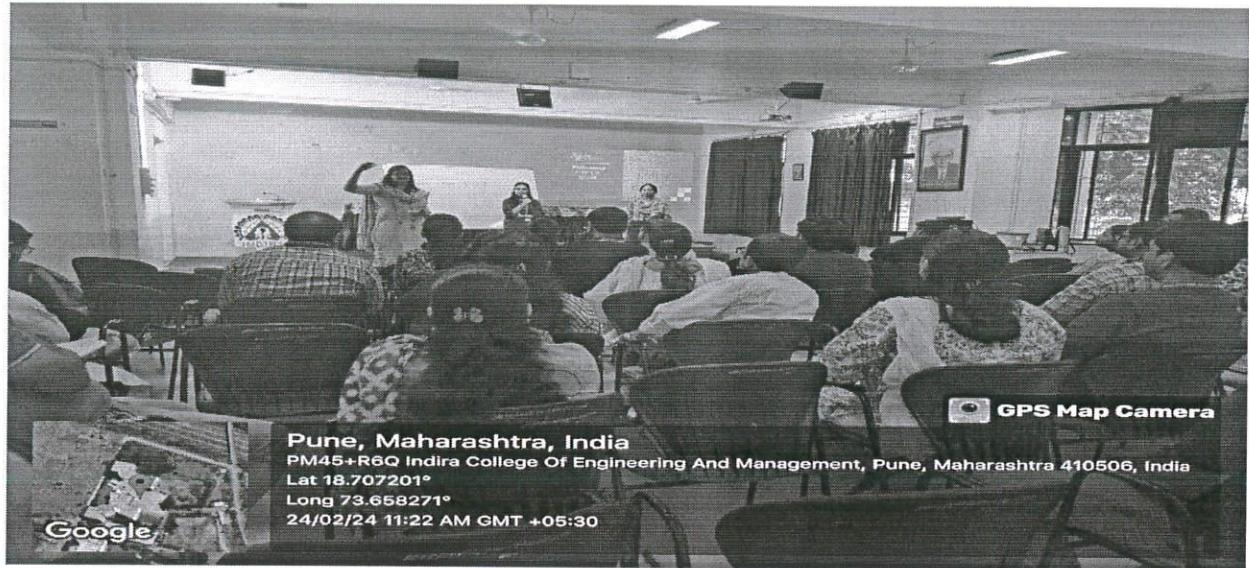

#### **Outcome:**

The FDP yielded promising results, with participants expressing a heightened confidence in their English communication skills. Feedback from attendees highlighted a significant improvement in clarity, fluency, and overall effectiveness in conveying ideas. The practical nature of the sessions enabled participants to immediately apply their learning in their teaching roles, thus maximizing the impact of the program.

*Gaur*

### Conclusion:

The Faculty Development Program conducted by Indira College of Engineering and Management on English communication proved to be a resounding success, reaffirming the institution's commitment to the professional development of its teaching faculty. The program not only addressed a critical need but also fostered a culture of continuous learning and improvement within the academic community.

In conclusion, the FDP served as a valuable platform for enhancing the English communication skills of teaching faculty, ultimately contributing to the overall academic excellence of the institution.

### NOTICE

We are excited to announce the upcoming training program titled

**"TechTrek: A Comprehensive Hands on Workshop on Generative AI & Prompt Engineering"(Phase II).** This program aims to equip educators with cutting-edge skills and knowledge in the field of Generative AI and Prompt Engineering.

This training is scheduled for faculty members of following departments:

- Computer Engineering
- AI & DS
- MCA
- *"Faculty who were absent during the first phase and are reporting to college tomorrow will participate in the FDP focusing on 'Generative AI & Prompt Engineering'."*
- Following faculties from respective departments will attend the FDP:

MCA	Mr.Tejas Pawar
	Mrs.Shreya Shenai
AI&DS	Mrs.Pallavi Chavan
Computer Engg.	Dr.Sunil Rathod
	Mrs. Dipali Dhadwad
	mrs.Shwetkranti Taware
	Mrs.Minal Jungare

**Details of the FDP:**

**Date: Saturday, 2<sup>nd</sup> March 2024**

**Time: 10 am to 1 pm**

**Venue: CAD CAM LAB**

The training sessions will cover topics such as:

1. Problem solving using AI
2. Generative AI framework
3. AI tools to enhance productivity
4. Applications of Generative AI in Education
5. Understanding Prompt Engineering
6. Hands-on Exercises

Thank you for your attention.

## One Page Report on Faculty Development Program (FDP) on Generative AI & Prompt Engineering

**Date:** March, 2<sup>nd</sup>, 2024

**Time:** 10 am to 1 pm

**Venue:** CAD CAM Lab

**Resource Person:** Dr. Poornashankar, Dean R & D, Indira College of Engineering & Management

### Overview:

The Faculty Development Program (FDP) on "Generative AI & Prompt Engineering" held on March 2nd, 2024, provided a comprehensive insight into the burgeoning field of Generative Artificial Intelligence (AI) and Prompt Engineering. The session aimed to equip faculty members with contemporary knowledge and skills necessary to effectively integrate generative AI technologies into their teaching curriculum and research endeavors.

### Objectives:

To introduce faculty members to the fundamentals of Generative AI.

To familiarize participants with Prompt Engineering techniques.

To explore the practical applications and implications of Generative AI in various domains.

To discuss methodologies for incorporating Generative AI concepts into the academic syllabus.

To facilitate collaborative learning and knowledge exchange among faculty members.

### Key Highlights:

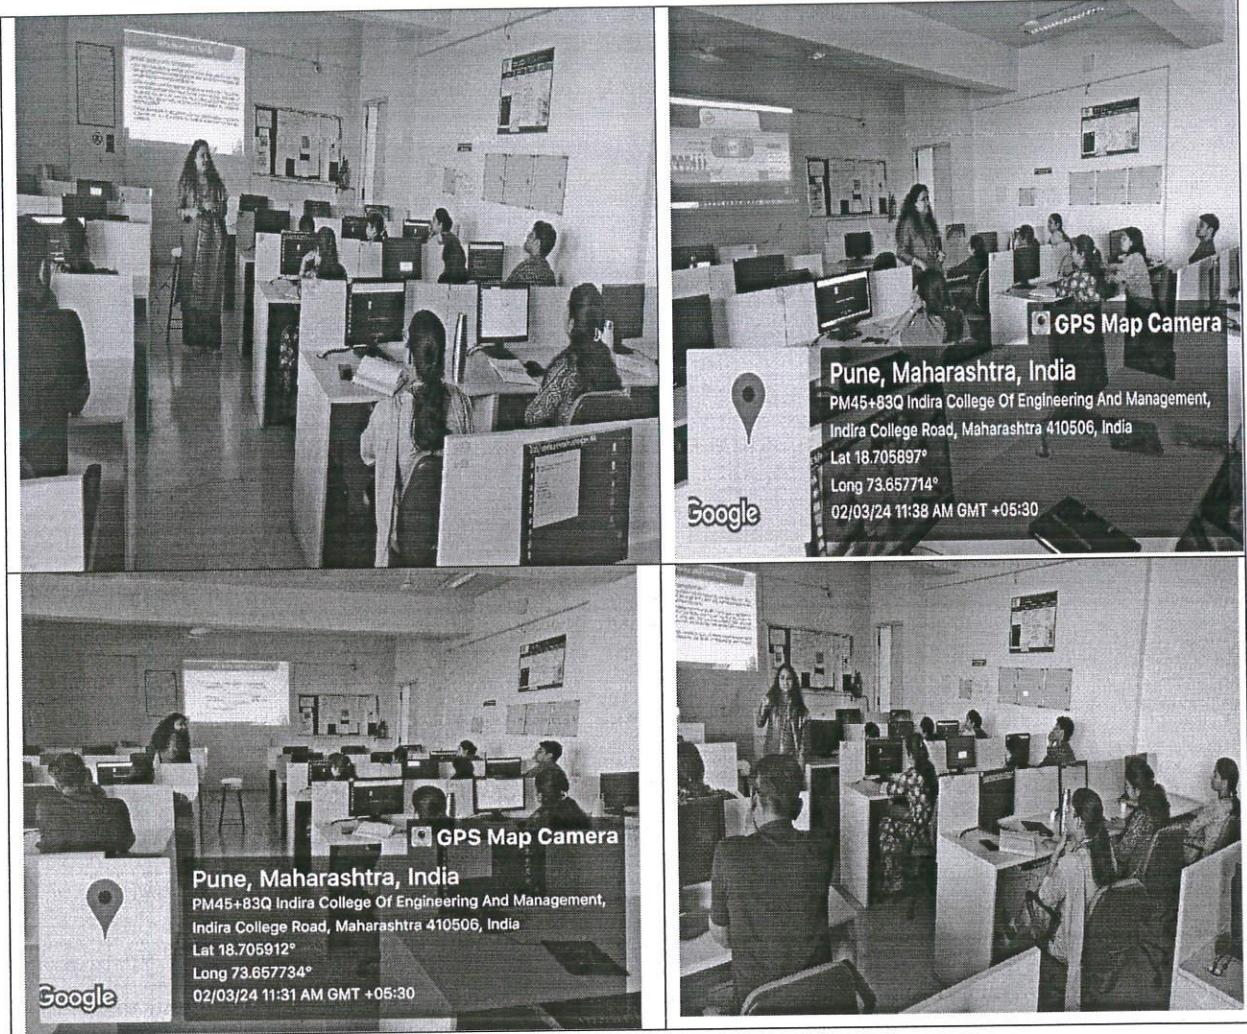

**Inaugural Address:** Dr. Poornashankar, Dean R & D, Indira College of Engineering & Management, inaugurated the FDP, emphasizing the significance of integrating emerging technologies like Generative AI into academic discourse.

**Lecture Sessions:** Dr. Poornashankar delivered insightful lectures covering a wide array of topics, including the basics of Generative AI, prominent algorithms, such as GPT (Generative Pre-trained Transformer), and advancements in Prompt Engineering methodologies.

**Hands-on Workshop:** Participants engaged in hands-on exercises aimed at applying Generative AI techniques practically. They gained practical experience in using tools and frameworks for prompt design and fine-tuning generative models.

**Interactive Discussions:** The FDP fostered interactive discussions among participants, enabling them to share their experiences, challenges, and insights related to integrating Generative AI into academic and research activities.

### Conclusion:

The Faculty Development Program on "Generative AI & Prompt Engineering" served as a valuable platform for MCA, Computer Engineering, and AI-DS faculty members to enhance their understanding and expertise in cutting-edge AI technologies. By equipping participants with practical skills and knowledge, the FDP aimed to empower faculty members to effectively incorporate Generative AI concepts into their teaching methodologies, thereby fostering innovation and academic excellence in the field of AI.

## One Page Report on Faculty Development Program (FDP)

Date: March 16, 2024

Time: 10:00 AM - 2:30 PM

Venue: Sir Vishweswarayya Hall, Indira College of Engineering and Management

Resource Person: Mrs. Sheetal Dhoot

The Faculty Development Program (FDP) on English Communication, held on March 16, 2024, marked the continuation of the first phase, aimed at enhancing the English communication skills of faculty members. The session ran from 10:00 AM to 2:30 PM, focusing on various aspects of effective communication in English.

The FDP commenced with a recapitulation of the key concepts covered in the initial phase, ensuring a seamless transition into the advanced topics. Facilitators emphasized the importance of clear and concise communication in academic and professional settings, highlighting its role in fostering effective teaching and collaboration.

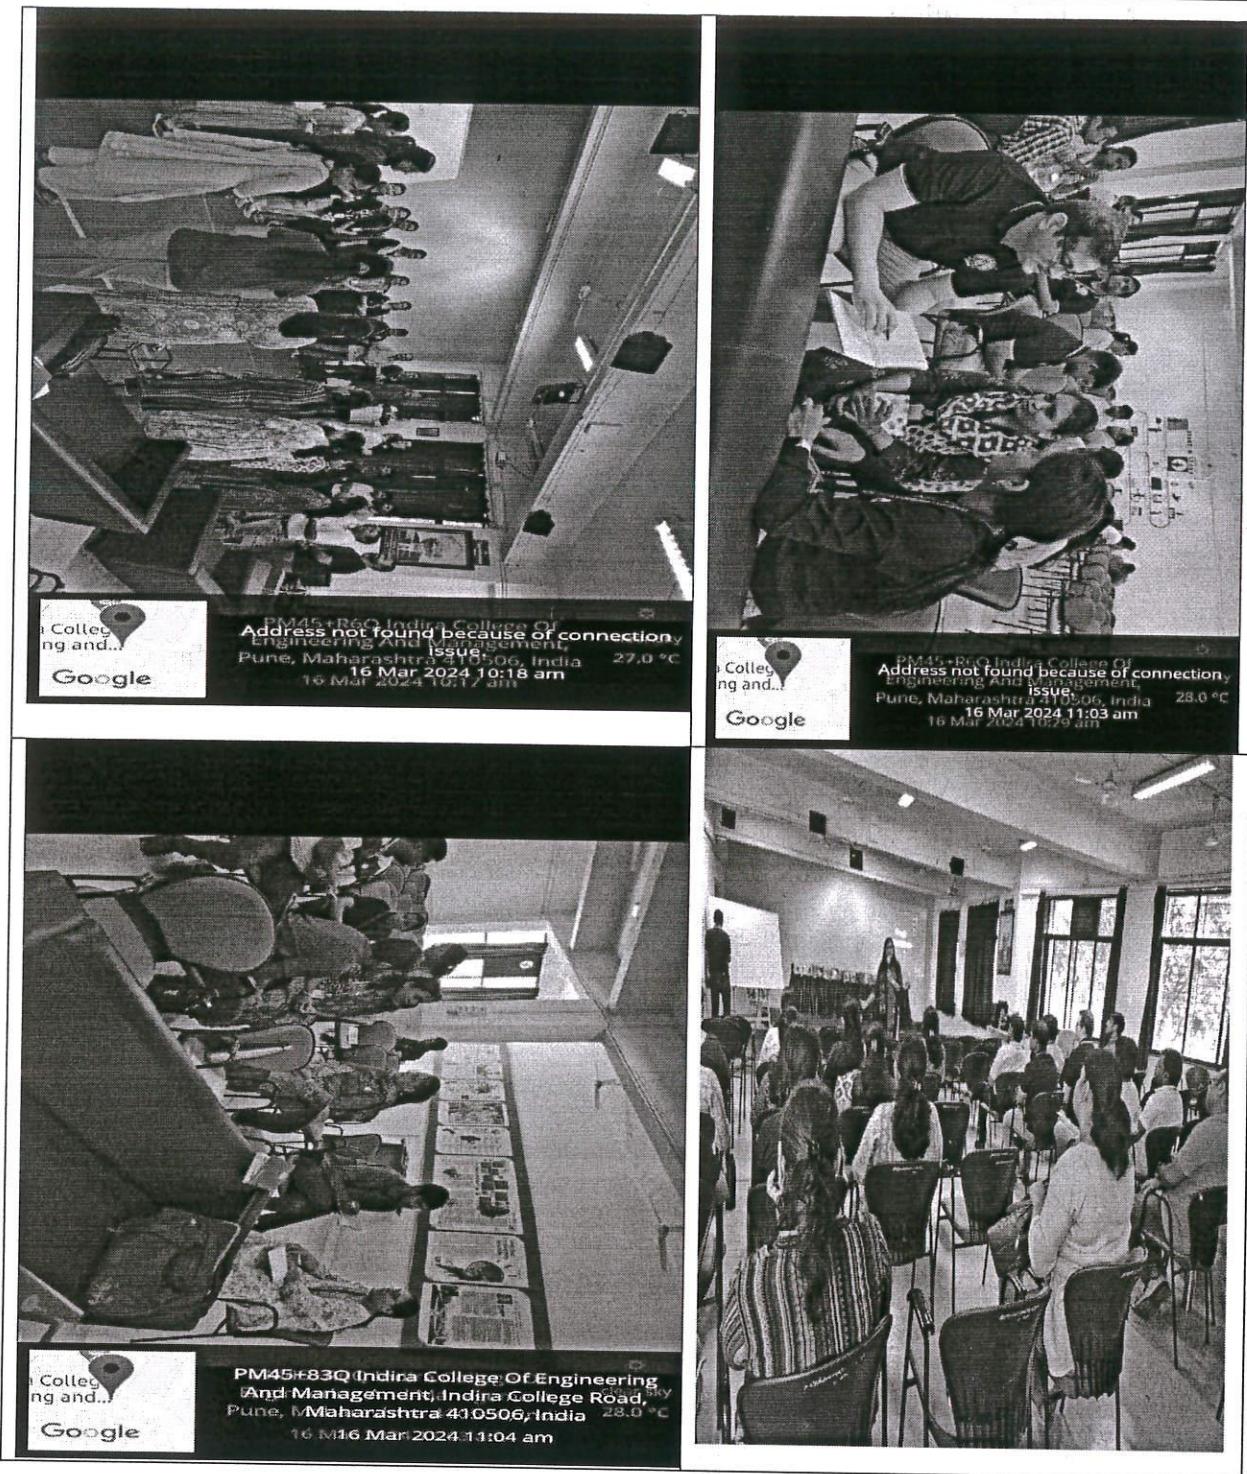

Throughout the session, participants engaged in interactive discussions, activities, and role-plays to reinforce their understanding of English communication strategies. They explored techniques for improving pronunciation, intonation, and fluency, as well as strategies for delivering impactful presentations and lectures.

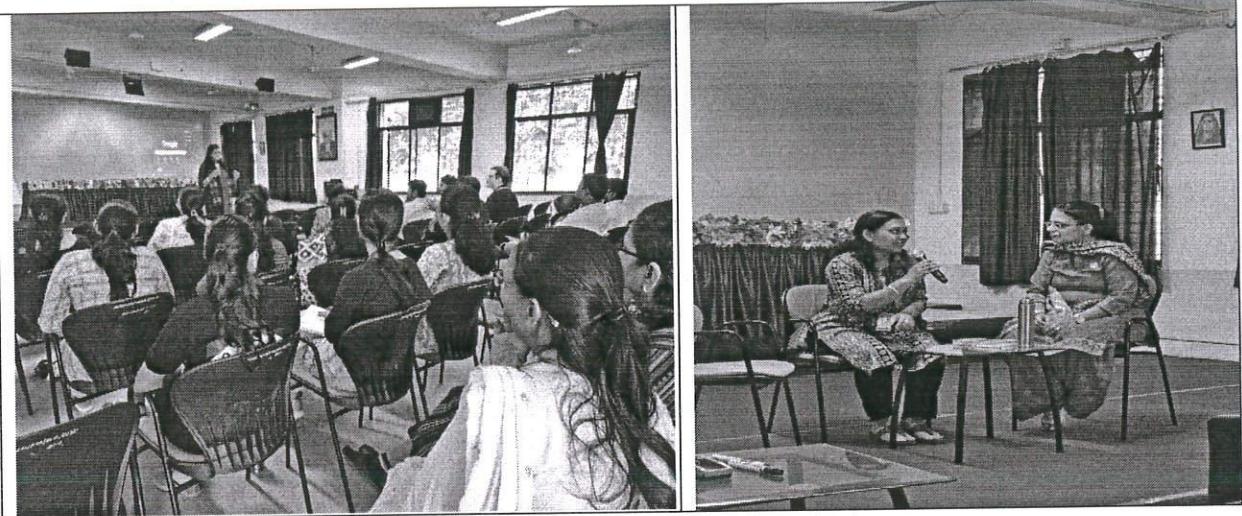

Moreover, the FDP delved into advanced grammar and vocabulary exercises, equipping faculty members with the linguistic tools necessary to express ideas accurately and eloquently. Participants also received personalized feedback from experienced language instructors, enabling them to identify areas for improvement and tailor their learning goals accordingly.

Furthermore, the session incorporated sessions on cross-cultural communication and intercultural competence, recognizing the diverse backgrounds and perspectives within academic environments. Participants learned strategies for navigating cultural differences sensitively and effectively, fostering inclusivity and understanding among colleagues and students.

As the FDP concluded, participants expressed appreciation for the valuable insights and practical skills gained throughout the session. They noted the relevance of the topics covered and the applicability of the strategies discussed in their professional roles as educators.

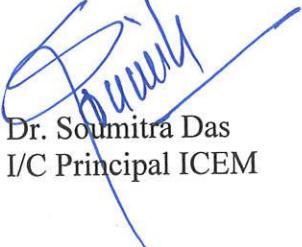

In conclusion, the second phase of the Faculty Development Program on English Communication served as a continuation of the initiative to enhance the language proficiency and communication skills of faculty members. By providing a platform for learning, practice, and feedback, the FDP contributed to the ongoing professional development and academic excellence within the institution.

## One Page Report on Faculty Development Program (FDP)

**Date:** March 23, 2024

**Time:** 1:30 PM onwards

**Venue:** Sir Vishweswarayya Hall, Indira College of Engineering and Management

**Resource Person:** Mrs. Sheetal Dhoot

Following the successful completion of the Faculty Development Program (FDP) on "English Communication" held on Saturday, March 23, 2024, at Sir Visvesvaraya Hall, a comprehensive report has been compiled.

The program witnessed active participation from faculty members eager to enhance their English communication skills. The sessions covered various aspects such as speaking, writing, and listening techniques, conducted by experienced language instructors.

Interactive workshops and practical exercises were well-received, fostering an engaging learning environment. Attendees expressed satisfaction with the content and delivery of the program, highlighting its relevance and effectiveness.

Valuable insights and strategies were shared, empowering participants to communicate more effectively in English.

The success of the FDP underscores the commitment of the institution to faculty development and academic excellence. Feedback from attendees will be utilized to further improve future programs. Special thanks to the organizing committee and facilitators for their dedication and efforts in making the FDP a resounding success.

## One Page Report on Faculty Development Program (FDP)

**Date: March 30, 2024**

**Time: 10:00 AM - 2:30 PM**

**Venue: Sir Vishweswarayya Hall, Indira College of Engineering and Management**

**Resource Person: Mrs. Sheetal Dhoot**

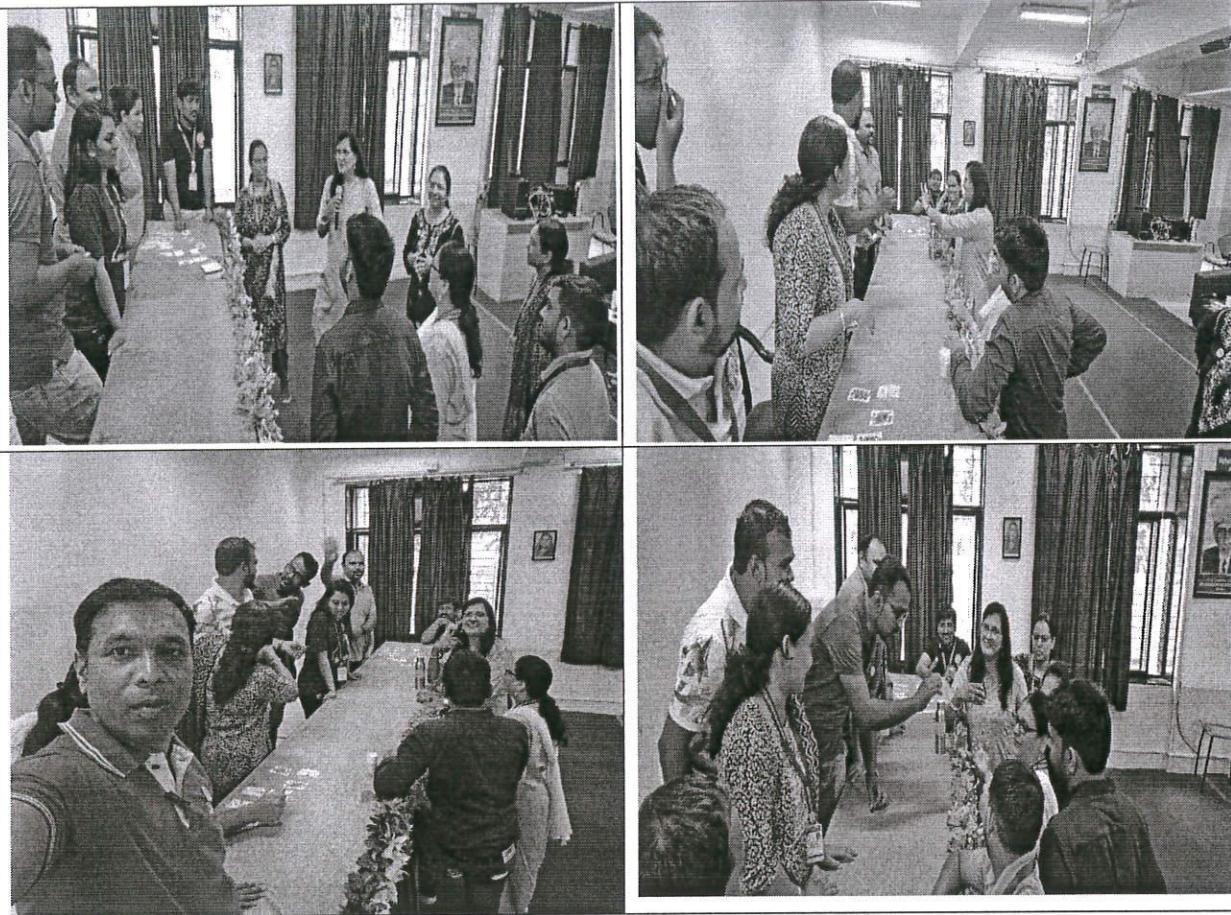

The Faculty Development Program (FDP) held on March 30, 2024, focused on enhancing soft skills crucial for professional development. The session commenced with an in-depth exploration of email etiquette, emphasizing the significance of clear communication, proper tone, and professional formatting. Participants actively engaged in discussions and practical exercises to reinforce learning.

Team dynamics were extensively discussed, highlighting the importance of collaboration, effective communication, and conflict resolution within teams. Various strategies and best practices were shared to optimize team performance and foster a positive work environment.

Icebreaker activities were incorporated to encourage networking and team bonding, creating a conducive atmosphere for learning and interaction. These activities facilitated participant engagement and broke down barriers, promoting a sense of camaraderie among attendees.

Overall, the FDP successfully addressed key aspects of soft skills, equipping participants with valuable insights and practical techniques to excel in their professional endeavors. Feedback from attendees was overwhelmingly positive, indicating a high level of satisfaction and enthusiasm for future training initiatives.

## One Page Report on Faculty Development Program (FDP) On “Effective Integration of Pedagogy & Technology” in Association with IIT Bombay

**Date:** April 20<sup>th</sup> & 21<sup>st</sup> 2024

**Time:** 10:00 AM - 5:00 PM

**Venue:** Sir Vishweswarayya Hall, Indira College of Engineering and Management

The Faculty Development Program (FDP) for Computer Science domain faculty was conducted on April 20<sup>th</sup> & 21<sup>st</sup>, 2024, focusing on innovative teaching methods and effective integration of educational technologies. The sessions aimed to enhance pedagogical skills and foster engaging learning environments. The domain for this phase was Mechanical Engineering , Civil Engineering, Basic Engineering & Computer science.

### Session Details:

#### Introductions and Setting Expectations:

The program commenced with introductions and setting clear expectations for participants, creating a conducive atmosphere for learning and collaboration.

#### Active Learning: Why, What, How:

Participants delved into the significance of active learning methodologies, exploring the rationale behind its implementation, identifying suitable strategies, and understanding practical implementation methods.

#### Effective Teaching with Visualizations:

This session emphasized the importance of incorporating visual aids in teaching, providing insights into leveraging visualizations to enhance comprehension and retention of complex concepts in Computer Science.

#### Generative AI for Teaching and Research:

Attendees were introduced to the concept of Generative AI and its applications in both teaching and research domains, offering innovative approaches to content creation and problem-solving.

#### Tools Utilized:

Muddy Points: A technique to identify and address areas of confusion or misunderstanding among students.

Word Cloud: Engaging visualization tool representing frequently used words or concepts, facilitating discussions and brainstorming sessions.

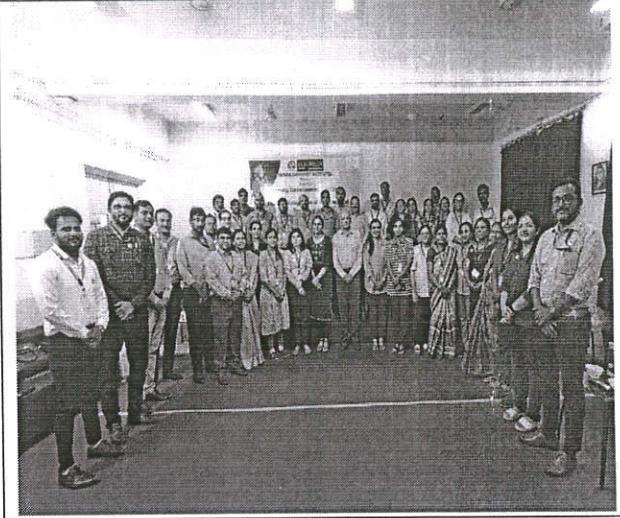

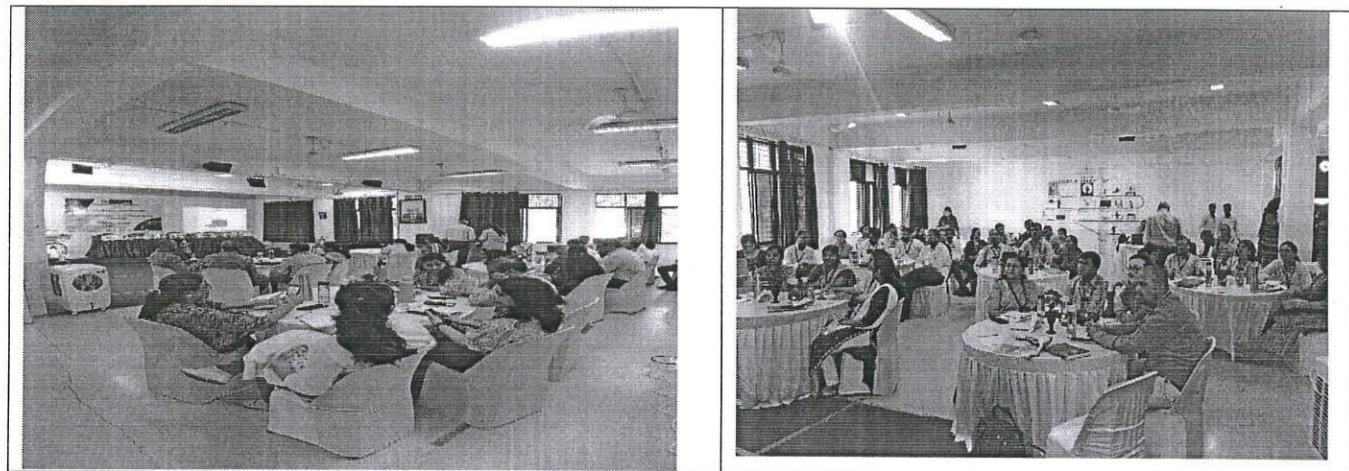

Mentimeter: Interactive presentation software enabling real-time audience engagement through polls, quizzes, and surveys.

EdPuzzle: Platform for creating interactive video lessons, enhancing student engagement and comprehension.

ChatGPT: AI-based chatbot facilitating interactive discussions and providing instant feedback.

Padlet: Collaborative digital canvas for brainstorming ideas, sharing resources, and fostering collaborative learning environments.

The FDP concluded with participants equipped with new insights, practical strategies, and innovative tools to enhance their teaching methodologies in the Computer Science domain. Feedback from attendees was overwhelmingly positive, indicating a strong desire for further exploration and implementation of the techniques and tools introduced during the program.

Overall, the FDP served as a valuable platform for professional development, empowering faculty members to effectively integrate modern teaching methodologies and educational technologies into their instructional practices, ultimately enriching the learning experiences of students in Computer Science disciplines.

### NOTICE

Dear all

I wish to notify you that we have scheduled a Faculty Development Program (FDP) titled "Effective Integration of Pedagogy and Technology" by IIT Bombay on **April 20<sup>th</sup> and 21<sup>st</sup>, 2024**, specifically for Basic Engineering, Mechanical Engineering & Civil Engineering Faculty.

*I kindly urge you to inform all faculty members about this event, considering it falls on a Saturday and Sunday.*

- Please adjust your holiday plans accordingly.
- Compensatory off will be provided for these two days.
- Attendance of all faculty members at the FDP is mandatory.

Date: 20th & 21st April 2024

Time: 9:30 am to 5 pm

Venue: V. Hall, ICEM.

Gear up for an enriching experience where you'll explore innovative teaching methodologies through the fusion of pedagogy and technology.

Stay tuned for registration details and further updates. Let's make a difference in education together!

It is mandatory for all faculty members to attend this FDP.

I request HoD's to not approve any leaves during these days.

*Dr. Priyanka Pawar  
17/04/24*  
Dr. Priyanka Pawar

## One Page Report on Faculty Development Program (FDP) On “Effective Integration of Pedagogy & Technology” in Association with IIT Bombay

**Date:** April 27<sup>th</sup> & 28<sup>st</sup> 2024

**Time:** 10:00 AM - 5:00 PM

**Venue:** Sir Vishweswarayya Hall, Indira College of Engineering and Management

**Participating Institutions:** ICP, IIMP, ISBS, ICEM, ISBS & ICEM

**Number of Participants:** 60

**Main Focus Areas:**

- Active learning strategies
- Hands-on technical teaching pedagogy
- Gen AI

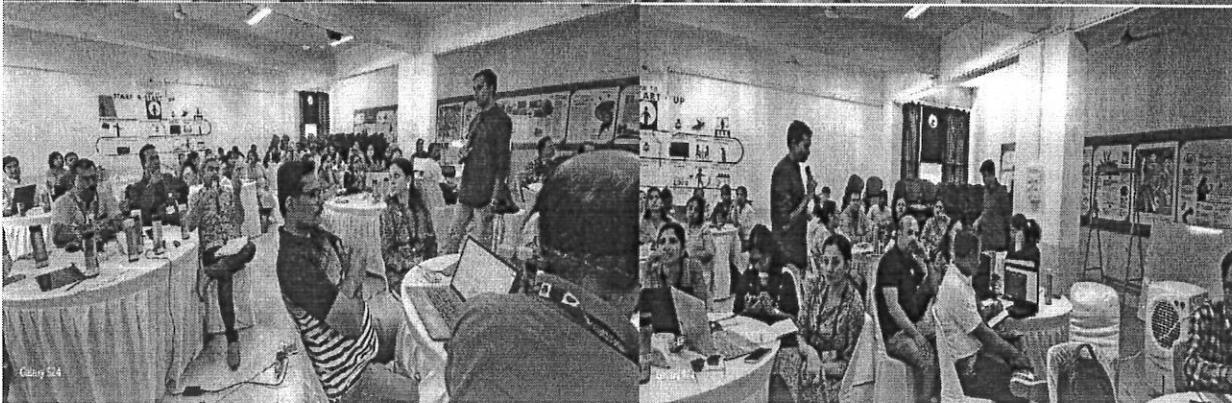

**Facilitator:** Prof. Shridhar Iyer

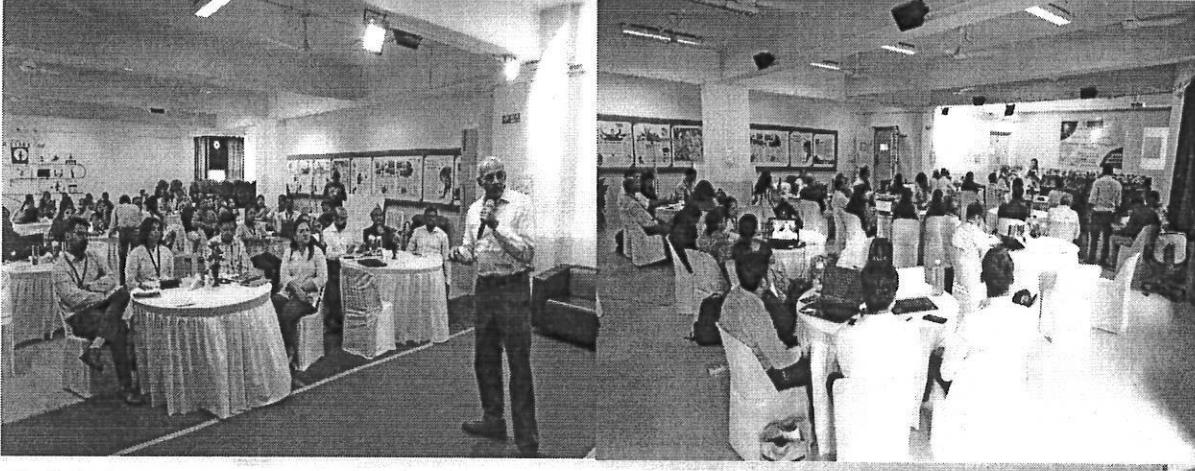

**Teaching Assistants (TAs):** Two TAs supported Prof. Shridhar Iyer in facilitating the FDP.

The Faculty Development Program on "Effective Integration of Pedagogy & Technology" conducted in association with IIT Bombay consisted of three phases, each spanning two days. The third phase, held on 27th & 28th April 2024, witnessed the active participation of 60 faculty members from various prestigious institutions including ICP, IIMP, ISBS, ICEM, and ISBS.

The program emphasized three main areas: active learning strategies, hands-on technical teaching pedagogy, and the implications of Generation AI on education. Prof. Shridhar Iyer, serving as the facilitator, guided the participants through insightful sessions aimed at enhancing their teaching skills and leveraging technology effectively in the educational process.

Throughout the program, participants engaged in interactive sessions, practical demonstrations, and collaborative activities to deepen their understanding and implementation of innovative pedagogical approaches. The two teaching assistants provided valuable support, contributing to the success of the program.

Overall, the Faculty Development Program served as a platform for educators to exchange ideas, explore new methodologies, and ultimately enhance their effectiveness in integrating pedagogy and technology for enriched learning experiences.
