FDP on Research grants

Research ICEM <research@indraicem.ac.in>

Thu 7/13/2023 1:31 PM

To:HODS <hods@indraicem.ac.in>

Cc Principal ICEM <principal@indraicem.ac.in>

Dear Ma'am/Sir,

Greetings!!

With reference to the objective - "**Building capacity for applying for research grants**" the 1st FDP on Research Grants is planned and the details are as follows:

Resource Person: Dr. Anant Ram- Advisor and R&D consultant

Date and Date: 15/7/2023, Saturday

Time : 2:00 PM

Mode : Online (Zoom)

Meeting Link: Topic: FDP on Research Grants
Time: Jul 15, 2023, 01:30 PM India

Join Zoom Meeting

<https://zoom.us/j/93820077863?pwd=QIBDbFVJTiQZDRMUkFneMJIWIFWQT09>

Join our Cloud HD Video Meeting

Zoom is the leader in modern enterprise video communications, with an easy, reliable cloud platform for video and audio conferencing, chat, and webinars across mobile, desktop, and room systems. Zoom Rooms is the original software-based conference room solution used around the world in board, conference, huddle, and training rooms, as well as executive offices and classrooms. Founded in 2011, Zoom

zoom.us

Meeting ID: 938 2007 7863

Passcode: 565715

NOTE: It is mandatory for all PHD holders and other interested faculty members to attend this FDP.
Respective HoD's are here by informed to communicate to your faculty members.

Thanks & Regards

Dr. Poorna Shankar
Professor and Dean R&D

Indira College of Engineering and Management, Pune

Report: Building Capacity for Applying for Research Grants

Introduction:

On 15th July 2023, Saturday, an online workshop was conducted on the topic "Building Capacity for Applying for Research Grants." The workshop aimed to provide participants with valuable insights into the process of applying for research grants and enhance their skills to increase the success rate of grant applications. Dr. Anant Ram, an esteemed advisor and R&D consultant, served as the resource person, sharing his expertise and knowledge on this crucial subject.

Workshop Details:

Resource Person: Dr. Anant Ram - Advisor and R&D Consultant

Date: 15th July 2023, Saturday

Time: 2:00 PM (GMT)

Mode: Online (Conducted on Zoom platform)

Key Topics Covered:

Understanding the Research Grant Landscape: Dr. Anant Ram started the workshop by providing an overview of the current research grant scenario, both at the national and international levels. He discussed various funding agencies and highlighted the different types of grants available for researchers.

Identifying Suitable Grant Opportunities: Participants were guided on effective strategies for identifying grant opportunities that align with their research objectives and expertise. Dr. Ram shared tips on utilizing online platforms and databases to find suitable funding options.

Crafting a Compelling Research Proposal: The resource person emphasized the importance of a well-structured and persuasive research proposal. He outlined the key components of a successful proposal, including clear research objectives, methodology, expected outcomes, and potential impact.

Budgeting and Financial Planning: Dr. Anant Ram delved into the financial aspects of grant applications, discussing how to create a realistic budget that aligns with the project's objectives. He also shared advice on justifying the budget in the proposal.

Navigating the Application Process: Participants gained valuable insights into the grant application process, including common challenges faced during the submission and how to

overcome them. Dr. Ram offered practical tips for submitting error-free and complete applications.

Review and Evaluation Process: The resource person shed light on how grant applications are reviewed and evaluated by funding agencies. He provided participants with an understanding of the criteria used by reviewers to assess proposals and how to address potential concerns.

Interactive Sessions:

The workshop involved interactive sessions to encourage active participation from attendees. Participants had the opportunity to ask questions, share their experiences, and seek personalized advice from Dr. Anant Ram.

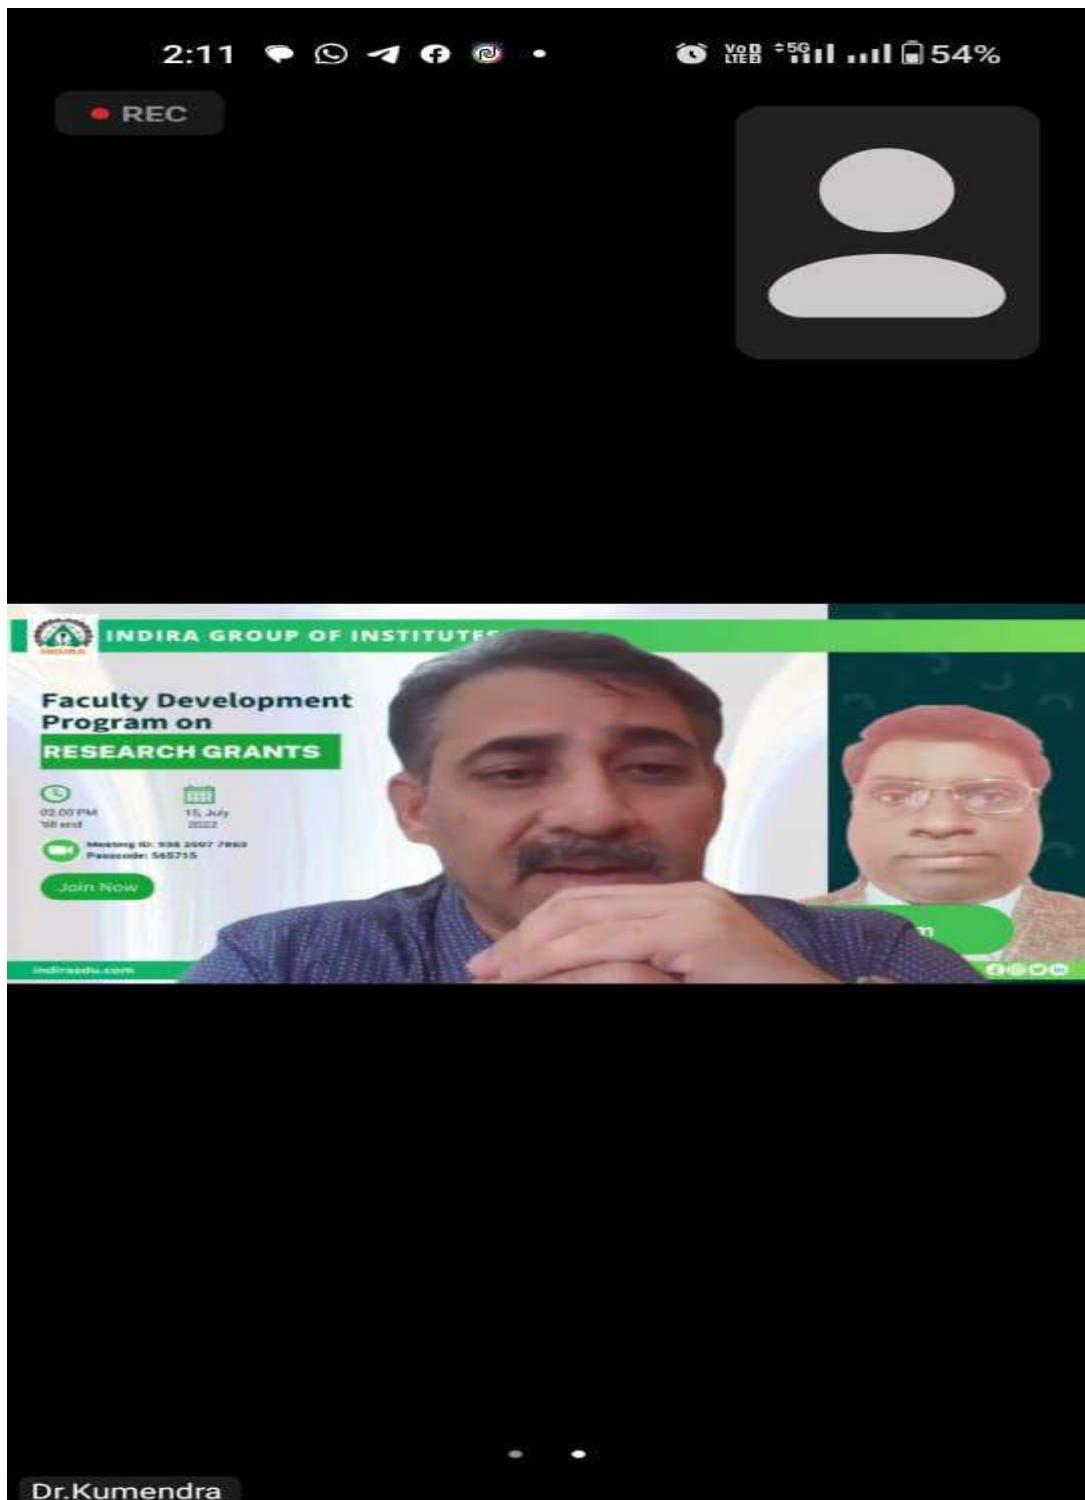

Benefits and Outcomes:

By the end of the workshop, participants gained the following benefits and outcomes:

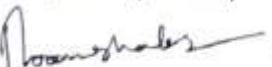

- Improved understanding of the research grant landscape and available funding opportunities.
- Enhanced skills in crafting compelling and well-structured research proposals.
- Increased proficiency in budgeting and financial planning for research projects.
- Better knowledge of the grant application process, leading to more effective submissions.
- Insight into the review and evaluation process, aiding in addressing potential concerns.
- Increased confidence in applying for research grants and higher chances of success.

Conclusion:

The workshop on "Building Capacity for Applying for Research Grants" with Dr. Anant Ram as the resource person proved to be an invaluable learning experience for all participants. The knowledge and insights gained during the workshop will undoubtedly strengthen their grant application skills and contribute to the advancement of their research endeavors. Such initiatives play a crucial role in fostering research and development within the academic and scientific community, leading to meaningful contributions to society as a whole.

Dear Mam

Greetings..!

Thank you for your reply. We have completed the Institute registration and TIFAC Co-Ordinator registration in the links provided by you.

We will also ask the students to register for the session and do necessary branding to promote this activity. Kindly share your profile for the introduction and a clear picture of yours to prepare the digital creative.

Thanks & Regards

Subject: RE: Invitation as a resource person

Dear Dr Poorna:

We confirm the program in your institute on **July 28, 03:30pm-04:30pm in hybrid mode.** I shall be delivering the lecture myself.

Going ahead, request you the following:

1. Please register your organization on : <https://iprsearch.ipindia.gov.in/events-ipr/OnlineUser/OnlineRegistrationTIFAC.aspx> . The person registering as a coordinator (to be nominated from your organization) will also receive a certificate of appreciation from the Indian Patent office apart from organization and individual candidates.
You also need to provide basic information about your institute on:
<https://forms.gle/1AmRLQjW3UTqwQ8U8> .
Name and contact of TIFAC coordinator to be put in the link is as follows: Dr Nitin Tewari, 9011386543, ns.tewari@ncl.res.in and mention yourself as the coordinator of the event.
2. Candidates can register on following link: <https://forms.gle/pytDY1j2tWdFbAAAA> . We recommend all students, staff & faculty to attend the program so request to publicize the event accordingly. Please do instruct the registrants that their names and email ids should be doubly checked as the correctness will ensure receipt of their certificates from Indian Patent office.
3. Regarding flyer of the program the content has been prescribed by Govt of India partners as attached for your ready reference. You may edit the same to add details of talk and your institute and share the finalized ver at the earliest.
4. Please publicise the event on your institutional social media platforms tagging @PMO, @ DPIIT @CSIR @CSIR-NCL @ DG CSIR, Nitin Shukla as per the mandate.

5. We welcome maximum participation.

In case you have any queries or need clarification, please let me know. My address for pick up shall be **DII-18 NCL colony, NCL, Dr Homi Bhabha Road, Pune-8** and my mobile number is 9011386543.

Regards,

Nitin

Report

National Intellectual Property Festival

DATE : 4 August 2023

VENUE : INDIRA COLLEGE OF ENGINEERING & MANAGEMENT, PUNE

GUEST SPEAKER : DR. NITIN TEWARI

Principal Scientist & Head,

Intellectual Property Group, NCL, Pune.

Introduction: The National Intellectual Property (IP) Festival, a premier event celebrating innovation and intellectual property.

Key Highlights

The festival featured panel discussions, workshops, exhibitions, and expert sessions aimed at raising awareness about the value of IP. Distinguished inventors, industry leaders, policymakers, and academics came together to discuss the latest trends and challenges in IP management and innovation-driven growth.

One of the central discussions, "*Lab to Market: Leveraging IP*," explored how research and development efforts can be effectively translated into viable commercial products. Key topics included:

1. **IP as a Tool for Commercialization:** Experts highlighted the importance of patents, copyrights, and trademarks in securing market advantages, attracting investments, and ensuring fair rewards for innovators.
2. **Strategies for Bridging Research and Market Gaps:** Successful examples were shared, where collaborations between academia, industry, and government led to groundbreaking innovations reaching the market.
3. **Support for Startups and SMEs:** Panelists emphasized how small enterprises can leverage IP portfolios to enhance competitiveness, secure funding, and enter global markets.
4. **Challenges in IP Utilization:** Legal complexities, enforcement issues, and lack of awareness were identified as significant barriers to effective IP commercialization in India.

Conclusion

The discussions on "Lab to Market" emphasized creating a robust ecosystem that encourages research, safeguards innovation, and propels ideas into impactful products and services. This festival marks a pivotal step in promoting a culture of innovation and entrepreneurship while strengthening India's position as a global IP leader.

Letter of Appreciation

To

Dr. Nitin Tewari
Principal Scientist and Head IP Group
NCL, Pune

Dear Dr. Tewari

Greetings..!

At the outset we would like extend our sincere gratitude for your insightful and enriching session on "Lab to IP Market: Leveraging IP" for the students and faculty members of our Institute on 4th August 2023.

Your expertise and in-depth knowledge in the field of Intellectual Property were evident throughout the session and it left a profound impact on everyone present. On behalf of the entire audience, we would like to express our sincere thanks for your valuable time and effort in preparing and delivering this session.

Your contribution has undoubtedly left an indelible mark on all of us, and we are eager to apply the knowledge gained to our academic pursuits and future initiatives.

We look forward to your support in future endeavours.

Thank you once again

With warm Regards

Date : 12/10/2023

To: All Teaching Staff

Dear All,

I am pleased to inform you that ICEM will be organizing a session on Research Funding Opportunities on Saturday, 14 October 2023, from 11:00 AM to 11:30 AM in Swami Vivekanand Hall.

This session will be conducted by Dr. Poornashankar, Professor & Dean R&D Department.

I encourage all teaching staff to attend this session, as it will be a valuable opportunity to learn more about research funding opportunities and how to get involved in research at ICEM.

SUBJECT: Session on Research Funding Opportunities

DATE: Saturday, 14th October 2023

TIME: 11:00AM TO 11:30 AM

VENUE: Swami Vivekanand Hall

INDIRA COLLEGE OF ENGINEERING AND MANAGEMENT

Parandwadi, Pune – 410506, Ph. 02114 661500, www.indiraijem.ac.in

Minutes of the Meeting

Time: 11:30 am to 12:30 pm

Date: 14/10/2023

Venue:- APJ Hall

Day: Saturday

Attendees: The Principal and Faculty members of ICEM

Agenda: -Types of Grants, Funding Agencies, Research Proposal, Approach Process

A research meeting was conducted on 14th October 2023 by Dr. Poorna Shankar Dean R & D.

The points discussed are as follows:

Sr. No.	Description
1	Discussion on various Research Grants Available
2	Discussion on Travel Grant, Fellowship & Scholarship, Seminar / Conference Grant
3	Discussion on Funding agencies like DST, SERB,DBT,CSIR,BARAC,UGC,AICTE,ICSSR for MBA,MEITY,MSME
4	Dr.Poorna Shankar ,Dean R & D highlighted on Research Policy and made awareness about the incentives and benefits
5	Dean R & D elaborated special Research Grants for Women and state council for science & Technology Council. .
6	Discussion on International Funding Agencies & Awards
7	Discussion on Research Proposal format like Title, Summary, Abstract, GAP identifies, Objectives, Methodology, Problem Statement, Budget formation ,Timeline & Outcomes.
8	Dean R & D shared tips for writing R & D proposal/Seminar/Workshop. Conference proposal

9	Dean R & D explained the process for approval and motivated the fraternity with statistics .
10	<p>At the end ma'am has explained Action Plan @ ICEM like:</p> <ul style="list-style-type: none"> • One department with 10 faculties one proposal per month • One department with more than 10 faculties two proposal per month • Research coordinator to share target plan for month • PI & CO PI discussion with Dean R & D • Submission of proposal in hard copy to Dean R & D • Finally, Dean R & D will submit all submitted proposals to Chief Quality Officer, IGI every month.
11	Dr.Sunil Ingole ,Director,ICEM highlighted on Research Policy and made awareness about the incentives and benefits along with journal subscription available in library like science direct.
12	Sir has instructed Dean R & D to relaunch the scheme for seed funding
13	Sir has appealed to write one review paper by each faculty by utilizing the facilities and resources provided by the institute.
14	Sir also advised students and faculty to visit library or download the research papers from science direct which was subscribed recently by ICEM to improve the research profile of all faculty.
15	All faculties should publish Papers and submit research proposals as per the guidelines provided by Dean R & D and this point will be asked by Sir during appraisal process .

Research Grants & Funding Agencies

14th October 2023

Presented by

Dr. Poorna Shankar , Professor and Dean R&D

Agenda

01 Type of Grants

02 Funding Agencies

03 Research Proposal

04 Approval Process

Various Types of Grants

- Core Research Grants (Extramural Funding)
- Seminar/Conference/Workshop Grants
- Travel Grants
- Research Awards
- Fellowships/Scholarships
- Innovation Grants

Funding Agencies

- Department of Science & Technology (DST)
- Science & Engineering Research Board (SERB)
- Department of Biotechnology (DBT)
- Council of Scientific & Industrial Research (CSIR)
- Indian Council of Medical Research (ICMR)
- Department of Health Research (DHR)
- Biotechnology Industry Research Assistance Council (BIRAC)
- University Grants Commission (UGC)
- All India Council for Technical Education (AICTE)
- Indian Council of Social Science Research (ICSSR)
- Indian Council of Agricultural Research (ICAR)

Funding Agencies

- Min of Electronics & Information Technology (MEITY)
- Ministry of Micro, Small & Medium Enterprises (MSME)
- Ministry of Environment and Forests (MoEF)
- Ministry of Earth Sciences (MoES)
- Ministry of Food Processing Industries
- Ministry of Human Resource Development (MHRD/MoE)
- Department of Scientific and Industrial Research (DSIR)
- Department of Coal
- Min of Water Resources
- Indian Space Research Organisation (ISRO)
- Min of Textile

Seminar/Conference/Workshop Grants

- 1. SERB - Seminar/Conf Grants (Open)**
- 2. CSIR - Seminar/Conf Grants (Open)**
- 3. DBT - Seminar/Conf Grants (Open)**
- 4. INSA - Seminar/Conf Grants (Open)**
- 5. ISRO - Conference/Seminars -Symposia (Open)**
- 6. AERB - Seminar/Conf Grants (Open)**
- 7. ICAR - Seminar/Conf Grants (Open)**
- 8. MOES - Seminar/Conf Grants (Open)**

Seminar/Conference/Workshop Grants

9. MOEF-CC- Seminar/Conf Grants (Open)

10. MEITY- Seminar/Conf Grants (Open)

11. NBHM - Seminar/Conf Grants (Open)

12. NCW - Seminar/Conf Grants (Open)

13. NHRC - Seminar/Conf Grants (Open)

14. Min of Water Resources - Seminar/Conf
Grants (Open)

15. ICSSR - Seminar/Conf Grants (Open)

16. BRNS - Seminar/Conf Grants

- SERB Schemes & Programs
- Intensification of Research in High Priority Areas (IRHPA)
- Core Research Grant
- Start-up Research Grant (SRG)
- Scientific and Useful Profound Research Advancement (SUPRA)
- Empowerment and Equity Opportunities for Excellence in Science
- Mathematical Research Impact Centric Support (MATRICS)
- Impacting Research Innovation and Technology (IMPRINT-2)
- International Travel Support
- Seminar/Symposia
- Short-term special call on COVID-19
- SERB-POWER Grant
- State University Research Excellence (SERB-SURE)
- Fund for Industrial Research Management (SERB-FIRE)

Special Research Grants for Women

- SERB Power Research Grant Scheme
- CSIR ASPIRE Women Research Grant Scheme
- DST-Post Doctoral Fellowship (27-60)
- WISER-Women Involvement in Science and Engineering Research (Indo-German)
- DBT-Biocare
- DST-WISE PhD Fellowship
- DST-Scope Fellowship
- DST-Women Technology Park
- DST-WIDUSHI (57-62/45-62
- ICMR- Women Scientist Scheme

Travel Grants

- University Grants Commission (UGC)
- All India Council for Technical Education (AICTE)
- Indian National Science Academy (INSA)
- Council for Scientific and Industrial Research (CSIR)
- Science and Engineering Research Board (SERB)
- Department of Biotechnology (DBT)
- Indian Council of Historical Research (ICHR)
- Indian Council for Cultural Relations (ICCR)
- Indian Council for Medical Research (ICMR)
- Indian National Academy of Engineering (INAЕ)
- And many more....

State Level S&T Councils / Departments

- Odisha State Council on Science & Technology (OSCOST)
- State S&T Council -Andaman & Nicobar
- Maharashtra State council for Science and Technology
- State Council of Science & Technology Andhra Pradesh
- State Council for Science and Technology Assam
- Science Technology & Environment Council Bihar
- Council on Science and Technology Chhattisgarh
- Gujarat Council on Science & Technology
- Council of Science & Technology Uttar Pradesh
- Department of Science & Technology Delhi
- Haryana State S&T Council, Haryana
- J&K State Council for Science & Technology J&K
- And many more....

International Funding Agencies

1. Indo-Swiss Joint Research Programme
 2. Indo-Australian Biotechnology Fund
 3. India-US Collaborative Vision Research Program
 4. Indo-German Joint Research Collaboration
 5. Indo-Israel Joint Research Collaboration
 6. Indo-Norway Joint Research
 7. The Australia-India Strategic Research Fund
 8. Indo-Russian DST-RSF Cooperation
 9. Indo-Korea-Joint Research Collaboration
 10. India-Japan Joint Research Laboratory Programme
 11. ASEAN-india Collaborative R&D Scheme
 12. India-UK Collaborative R&D
 13. Indo-French Joint Call for Proposals
 14. Indo Dutch Research Council (NWO) funds
- And many more...

Awards & Fellowships

- National Post Doctoral Fellowship
- LC. Bose Fellowship
- Ramanujan Fellowship
- Teachers Association for Research Excellence (TARE)
- Visiting Advanced Joint Research Faculty (VAJRA)
- Overseas Visiting Doctoral Fellowship (OVDF)
- SERB Science and Technology Award for Research (SERB-STAR)
- SERB Women Excellence Research Grant
- SERB-POWER Fellowship
- SERB-POWER Translation
- SERB-POWER Mobility
- SERB Technology Translation Award (SERB-TETRA)
- National Science Chair
- SERB International Research Experience (SIRE)

Qualities of a Researcher

R-research-oriented

E-efficient,

S –scientific

E-effective

A-active

R -resourceful;

C- creative.

H- honest,

E-economical

R -Reverent

Attributes of an Active Researcher for getting Grants

- 1) Post PhD-PDF/DSc/D.Litt.
- 2) Nos. of Publication (SCI/Wos/ Int. repute)
- 3) Patents/IPRS
- 4) Books/Chapters/ Articles
- 5) Consultancy work
- 6) Govt/Non Govt Funding R&D Project exposure, as PI/CO-PI
- 7) R&D grant Project Submitted during last 3 years
(State/National/Intern)
- 8) R&D Grants Received from Govt/Non-Govt Sources
- 9) Fellowship/Scholarship/Travel Grant Received/Applied
- 10) Professional Body Memberships
- 11) Awards/ Recognition/Appreciation
- 12) National/ Int. Conferences/Seminars/Webinars/...

Research Proposal Format

- **Title of the proposed research project** should be specific, concise and sufficiently descriptive and informative.
- **Summary of Research Project:** A structured summary should contain the following subheadings: Rationale/gaps in existing knowledge, Novelty, Objectives, Methods, and Expected outcome, your good ideas should be convinced
- **R&D Project to cover a priority area /Domain of funding agency**
- **Problem Statement:** State the currently available information to present the problem adequately, focusing on the reported proof of concept
- **Objectives:** Define the objectives clearly and in measurable terms.
- **Methodology:** Include objective-wise work plan under the following sub-headings: a. Study design b. Study site c. Methods d. Sample size e Implementation strategy f. Statistical analysis
- **Budget:** should be appropriate and head wise as per guidelines
- **Timeline:** Quarterly/ monthly basis about research activities
- Whether the study is going to generate new intellectual property
- **Outcomes/achievable targets/Proposed Solution**

Tips for Writing R&D/ Seminar/Conf/Workshop proposals

1. Initially, for seeking Seminar/ Cond /Workshop grants Rs1 -2 Lakhs National & 3 to 5 Lakhs for International. (as partial grants)
2. Write R&D Proposals with budget below Rs 30 Lakhs and keep equipment cost below 30% of total budget
3. Scientific contributions and publication record of the core team (PI and Co-PIs) Engage a Co-Pis from n Institute of Eminence/R&D Labs/SIRO/ Research Institutions, Faculty Institution/Industry experts will be preferred.
4. Proposals supported by quality publications SCL, Scopus,Wos/patents/copyrights, books/Chapters, consultancy work, NGO-Industrial, Awards Recognition/appreciation/fellowships etc. will be preferred
5. Proposals having Industry partner or have collaboration with other R&D Labs Institutions, will be given preference
6. Proposal submitted by Women faculty members, SC/ST, OBC, PH, Minority etc., will be given
7. MoUs with Industry and Foreign Institutions will be an advantage for joint research projects.

Budget of R&D Grant Proposal

Some of the details of Budget of R&D Projects

Research Personnel Staff (<25%-40%)

Consumables. (<2%-10%)

Travel. (<2%-5%)

Equipment, (<10%-30%)

Contingency (<2-5%)

Overheads (3%-10%)

Miscellaneous Expenses, if any (5% -10%)

(Varies from agencies to agencies- May refer relevant guidelines)

Approval Process

Level 1-Initial Internal scrutiny at Depart/Agency Level

Level 2-Initially reviewed by 3-5 empanelled Reviewers

Level 3-The Proposals along with the Reviewers Comments are placed for approval before the Project Advisory and Committees (PAC). PI may called for presentation before PAC

Level 4-The recommended Proposals shall be taken up for financial support depending upon final approvals by the Competent Authority

Level 5-Finally, Issurance of approval letter /email/portal.

Helpful Attributes for seeking Big Grants

- 
- NAAC/NBA/Global Accreditation
 - 2f/12 b status of UGC
 - NIRF Ranking
 - SIRO Recognition
 - Industrial Collaboration/Consultancy Work
 - International Collaboration
 - Quality Publications
 - Institutional/Industrial Minor Research Projects
 - Consultancy Work
 - Patents/IPRs

Research Assistance and Guidance

- Weekly/fortnightly Online Meeting for Proposal writing
- Monthly Campus visit and organized RAC meeting with faculty Interaction
- Guidance for proposal submission Monthly 2-5/yearly
25-60 Grant proposals submission
- A pool of 5-10 Faculty required (PhD/ Equivalent)
- Follow-up with various Govt Agencies for approvals
- Obtaining Grants worth of Rs 50 Lakhs to Rs. 5 Cr yearly

Action Plan @ ICEM

- Every Department should submit at least one proposal every month.
- Maximum 2 proposals to be submitted under each scheme by the Institute
- Department R&D Coordinator can create Research Calendar for the Monthly submission
- Discuss the research plans in the monthly Department meeting and identify the PIs and Co-Pis
- Contact Dean R&D for any assistance needed
- Submit the details of the proposals submitted every month to R&D Dean
- The monthly proposals submitted by ICEM will be Consolidated and sent to Chief Quality Officer of IGI by Dean R&D

THANK YOU

Ministry of Micro, Small and Medium Enterprises
Government of India

ENTREPRENEURSHIP AWARENESS PROGRAMME (EAP)

Organised by:

MSME - Development &
Facilitation Office
Andheri - Kurla Road, Sakinaka,
Mumbai - 400 072.

In association with

Engineering
Cluster Chinchwad and
Indira college of Engineering
& Management, Pune

Venue : Indira college of Engineering & Management, Pune Date: 30th Oct. 2023

Submitted by
DR. POORNA SHANKAR
PROFESSOR AND DEAN R&D

ENTREPRENEURSHIP AWARENESS PROGRAMME

Date: 30th October 2023

AGENDA

TIME	DETAILS
3.00 - 3.05 pm	Dr. Sunil Ingole , Director, ICEM Welcome Address
3.05 - 3.10 pm	Welcoming of all Guests
3.10 - 3.30 pm	Ms. Shruti Patole , Founder Director, Skilletz Foundation Topic: Importance of Image and Confidence Building for Entrepreneurs
3.30 - 4.00 pm	Mr. Kiran Nawathe , Director, Research Park Foundation, SPPU,,Pune Topic: Entrepreneurs the Nation Builders
4.00 - 4.20 pm	Shri Abhay Daptardar , Assistant Director, MSME, DFO Mumbai Topic: Ministry of MSME and its importance for students
4.15 - 4.30 pm	Mrs. Reshma Mulla , Director Mahek Industries Topic: "Ladies can be Business leaders"
4.30 - 4.40 pm	Q & A Session
4.40 – 4.45 p.m	Felicitation of Guests

MSME – DEVELOPMENT & FACILITATION OFFICE, MUMBAI
Entrepreneurship Awareness Programme (EAP)
In Association with Engineering Cluster Chinchwad, Pune and Indira College of Engineering and Management, Pune

Seminar Report: Entrepreneurship Awareness Programme [EAP]

Hosted by MSME-DFO , Mumbai, GOI

Venue : Indira College of Engineering and Management

Date: October 30th, 2023

Participants : Faculty members, students from Engineering and Management courses.

Introduction

The Ministry of Micro, Small and Medium Enterprises (MSME) Development Facilitation Centre, Mumabi , Government of India (GOI) had organized the Entrepreneurship Awareness Programme at Indira College of Engineering and Management, Pune on 30th October 2023. The seminar aimed to foster entrepreneurship awareness among students and aspiring entrepreneurs and featured a distinguished lineup of speakers.

Session 1: Welcome and Introduction

3.00 - 3.10 pm: Dr. Sunil Ingole, Director, ICEM, warmly welcomed the audience, setting a positive tone for the event. He advised the audience to make the best use of the speakers and utilize the platform provided to sharpen their knowledge in Entrepreneurship.

Session 2: Importance of Image and Confidence Building for Entrepreneurs

3.10 - 3.30 pm: Ms. Shruti Patole, Founder Director of Skilletz Foundation, delivered an engaging session on the "Importance of Image and Confidence Building for Entrepreneurs." She emphasized the significance of personal branding and confidence in the entrepreneurial journey by defining the ABDC of the self branding. She mentioned that 'A' stands for Appearance, 'B' stands for Body Language, 'C' stands for Confidence and Communication and 'D' stands for Discipline , Determination and Dedication.

Session 3: Entrepreneurs as Nation Builders

3.30 - 4.00 pm: Mr. Kiran Nawathe, Director of Research Park Foundation at SPPU, Pune, shared valuable insights on "Entrepreneurs as Nation Builders." His talk highlighted the role of entrepreneurs in driving economic development and innovation in the country. He shared the success stories and the of the great Indian cricketer Mr.. Sahin Tendulkar and Arunima Sinha the well-known mountaineer, sportswoman, Padma Shree awardee and the world's first female amputee to have scaled Mt Everest.

Session 4: Ministry of MSME and Its Importance for Students

4.00 - 4.20 pm: Shri Abhay Daptardar, Assistant Director of MSME, DFO Mumbai, discussed the "Ministry of MSME and its importance for students." He shed light on the government's support and schemes available for aspiring entrepreneurs in the MSME sector. He shared insights on the current state of entrepreneurship in India and the numerous opportunities available for startups. He introduced representatives from local incubators and startup support organizations to motivate the audience to the concept of mentorship and how it can accelerate business growth. He also emphasized on idea generation, idea validation and its implementation and the funding opportunities provided by MSME for the selected ideas.

Session 5: "Ladies Can Be Business Leaders"

4.15 - 4.30 pm: Mrs. Reshma Mulla, Director of Mahek Industries, delivered an empowering talk titled "Ladies Can Be Business Leaders." She shared her personal journey and experiences as a successful female entrepreneur, inspiring women to take leadership roles in business.

Session 6: Question and Answer Session

4.30 - 4.40 pm: An interactive Q&A session allowed attendees to pose questions to the speakers, seeking clarification and further insights.

Session 7: Felicitation of Guests

4.40 - 4.45 pm: The distinguished guests were felicitated as a token of appreciation for their valuable contributions to the seminar.

Session 8: Vote of Thanks

4.45 pm: Dr. Poorna Shankar, Dean of Research and Development at ICEM, delivered a heartfelt vote of thanks, expressing gratitude to the speakers, guests, and participants. She acknowledged the significance of the event in fostering entrepreneurship awareness. She expressed her gratitude to Shri. Abhay Daptardhar, Assistant Director of MSME, DFO Mumbai for organizing this programme at ICEM and inviting all notable resource persons.

Conclusion:

The Entrepreneurship Awareness Programme hosted by MSME, GOI at Indira College of Engineering and Management on October 30th, 2023, successfully achieved its objective of promoting entrepreneurship awareness and providing valuable insights to the attendees. The diverse range of topics covered by expert speakers and the engaging Q&A session enriched the learning experience.

The event encouraged students and aspiring entrepreneurs to explore the world of entrepreneurship, instilled confidence, and highlighted the support offered by the MSME sector. The seminar also underscored the importance of women's participation in business leadership.

We extend our appreciation to the Ministry of MSME, GOI, and Indira College of Engineering and Management for their collaborative effort in hosting this insightful and inspiring event. Such initiatives play a pivotal role in nurturing entrepreneurial talent and promoting economic growth in the nation.

Letter of Appreciation

To

Shri. Abhay Daptardar
Assistant Director,
Cluster Development Officer
Ministry of MSME, Govt. of India
Mumbai

Dear Shri. Daptardar

Greetings..!

At the outset we would like to extend our sincere gratitude for conducting the Entrepreneurship awareness Programme (EAP) for the students and faculty members of our Institute on 30th October 2023. Your session on the functions of Ministry of MSME and various schemes available to motivate the budding entrepreneurs were very insightful and truly commendable.

Your expertise and in-depth knowledge in the field of Entrepreneurship was evident throughout the session and it left a profound impact on everyone present. On behalf of the entire audience, we would like to express our sincere thanks for your valuable time and effort in preparing and delivering this session.

Your contribution has undoubtedly left an indelible mark on all of us, and we are eager to apply the knowledge gained to our academic pursuits and future initiatives.

We look forward to your support in future endeavours.

Thank you once again.

With warm Regards

Subject: Visit to Mercedes-Benz India, Pune

Dear Dr. Poorna,

It was a pleasure speaking to you last week & we are happy to confirm that our facility is available for a visit on **Monday, 6th November 2023**. Below is a tentative agenda for the visit, we would recommend you & the team arrive by **11 am**.

- Arrival at the plant
- Brand Presentation
- Tour of the Assembly Lines
- Lunch
- Off-Road SUV Drive Experience

For planning the same, we request to keep the following security points in mind :-

1. All the visitors are requested to wear Covered Shoes.
2. Photography and Audio recording is strictly prohibited in the entire plant. However, we may click pictures inside our Customer Experience Center.
3. We would be able to accommodate at most 40 guests.
4. During assembly lines' tour, cell phones, wristwatch and jewelry are not allowed.
5. Visitors' age should be 16years and above.

Request you to please confirm your visit and the exact number of participants to enable planning at our end.

Warm Regards,

Nandita Godbole

INDUSTRIAL VISIT REPORT

Date: 06/11/2023

Venue: Mercedes-Benz India Pvt. Ltd., Pune

Subject: Industry Visit at Mercedes-Benz, Pune

An industrial visit was organized by Indira College of Engineering and Management, Parandwadi for the students of Mechanical Engineering and Council students (3rd semester) to provide practical exposure to the production and assembly processes of Mercedes-Benz vehicles at their Chakan plant in Pune.

A group of 30 students and 10 faculty members was selected for this visit. The reporting time was set at 9:30 am on November 6th at the college, and transportation was arranged by the college to reach the company. Upon arrival, visitor IDs were issued, and the group was escorted to the Customer Experience Center.

The visitors were warmly welcomed by Ms. Nandita Godbole and her team. A brief history of the company was presented through an engaging video, which also highlighted various aspects such as innovation, patents, stakeholder information, and the key learnings planned for the day. Students' queries regarding the plant were addressed during this session.

The group was then divided into two sub-groups. While one group participated in the plant tour, the other group was offered refreshments, including tea and coffee.

Group I was taken to the assembly hall, known as the *Body Shop*, where the trim and mechanical lines were observed. In the trim line, operations such as gap checking, dashboard (cockpit) fitting, electrical system installation, seat fitting, and windshield installation were demonstrated. On the mechanical line, activities like wheel fixing and filling station operations were shown, with special attention given to the "Marriage Section," where the chassis and body are joined. The workers, highly skilled and diligent, followed strict safety protocols. Each task was recorded and marked to ensure traceability in case of any errors.

After Group I completed its tour, Group II was taken through the same process.

Following the plant tour, lunch was provided in the company canteen. Before departing, photographs were taken to commemorate the visit. The visit concluded with a note of gratitude towards Mercedes-Benz for their hospitality and a commitment to sustainability, with their target to achieve full electrification (EV) by 2039. This visit provided valuable insights into the assembly process and the emphasis on quality over quantity. Heartfelt thanks were expressed to both the college and Mercedes-Benz for this enlightening experience.

Dear Shreyasji and Ms. Nandita

Greetings..!

On behalf of Indira college of Engineering and Management, Pune , We express our sincere gratitude for organizing the recent industrial visit to the Mercedes-Benz plant for our students and faculty today. The visit was an invaluable experience for everyone involved, and it provided us with a unique opportunity to learn about the latest manufacturing processes and technologies used by one of the world's leading automotive companies.

Our students were particularly impressed by the highly automated production lines and the commitment to quality and safety that was evident throughout the plant. They also enjoyed learning about the history of Mercedes-Benz and the company's products.

The faculty members who accompanied us on the visit also found the experience to be very informative and beneficial. They were particularly interested in the company's approach to sustainability and its employee training and development programs.

Overall, the industrial visit to the Mercedes-Benz plant was a huge success. It was a well-organized and informative event that provided our students and faculty with a valuable learning experience.

I am confident that it will have a lasting impact on our students and their future careers.

Thank you again for making this visit possible

With warm Regards

Dear Sir

Greetings..!

With reference to our telecon held yesterday, you are cordially invited to conduct a webinar on "Intellectual Property Rights and Innovation Practice" to motivate all members of Indira college of Engineering and Management today. The webinar details are given below. Kindly find attached the digital flyer of your session.

ICEM virtual meet is inviting you to a scheduled Zoom meeting.

Topic: Intellectual Property Rights and Innovation Practice

Time: Dec 13, 2023 01:50 PM Mumbai, Kolkata, New Delhi

Join Zoom Meeting

<https://zoom.us/j/99407428572?pwd=U0pSNG5meTI3YUhJVzNCZVI5VTBLdz09>

Meeting ID: 994 0742 8572

Passcode: 161032

Request you to join the meeting link at 1.50 p.m.

Thank you

Regards

Dr. Poorna Shankar

Professor and Dean R&D

Report

WEBINAR TOPIC : INTELLECTUAL PROPERTY RIGHTS AND INNOVATION PRACTICE

DATE : DECEMBER 13, 2023

TIME : 1:50 P.M.

GUEST SPEAKER : DR. RAMESH CHANDRA

Chief Scientist,

We grow India Research & Innovation LLP

Introduction: The webinar aimed to provide a deep understanding of the dynamic landscape of Intellectual Property Rights (IPR) and its pivotal role in fostering innovation across various industries.

Key Takeaways:

Fundamentals of Intellectual Property: Dr. Ramesh Chandra initiated the session by elucidating the fundamental concepts of intellectual property, including patents, copyrights, trademarks, and trade secrets. He emphasized their significance in protecting innovative ideas and creations.

Innovation Practices and IPR: The speaker delved into the intricate connection between innovation practices and IPR. He highlighted how a robust IPR framework not only safeguards intellectual assets but also incentivizes organizations and individuals to invest in research and development. Dr. Ramesh said that he will help faculties and students to get granted Indian patents.

Case Studies and Real-world Applications: Through compelling case studies, Dr. Chandra illustrated how companies have strategically utilized IPR to gain a competitive edge in the market. These real-world examples provided attendees with practical insights into implementing effective IPR strategies.

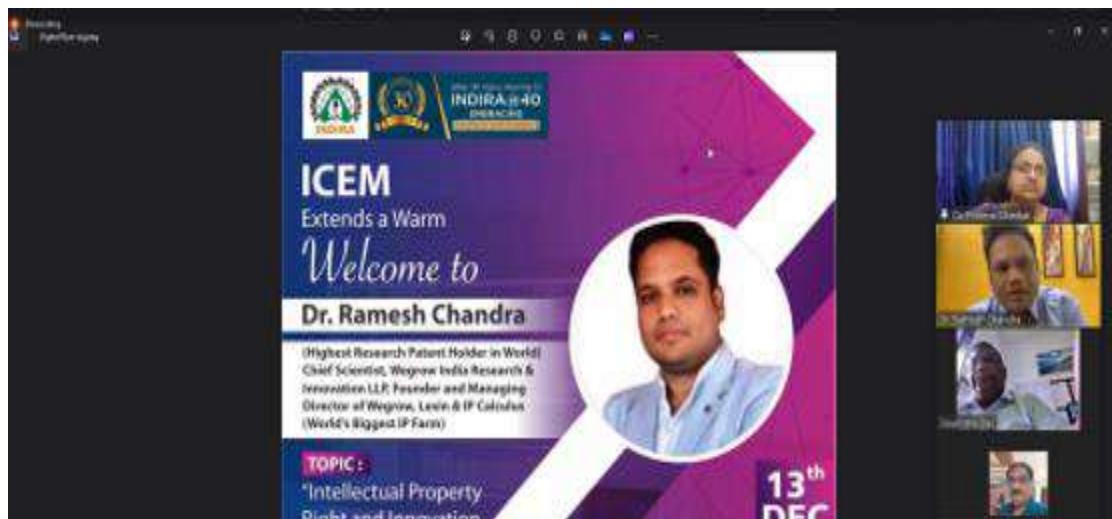

Challenges and Solutions: Acknowledging the challenges associated with IPR, Dr. Chandra discussed potential solutions and best practices. He addressed issues such as patent infringement, licensing, and the importance of staying updated with evolving regulations.

In 2024 IP Conclave will conduct in ICEM so he encourages faculties to present ideas in it.

THANKING LETTER

To,
Dr. Ramesh Chandra,
Chief Scientist,
Wegrow India Research & Innovation LLP

Our institute is grateful for time & efforts taken by Dr. Ramesh Chandra, to share his experience with us through webinar on "**INTELLECTUAL PROPERTY RIGHTS AND INNOVATION PRACTICE**" on 13th Dec. 2023.

Please accept our sincere appreciation for the outstanding interaction in Webinar.

I believe that we all are enlightened by your experience sharing and knowledge wisdom. Your enthusiasm is contagious, and we hope this webinar will be fruitful for all the faculties. It was very interesting to hear about your experiences.

Thank you again for your precious time.

A handwritten signature in blue ink, appearing to read "Poornashankar".

Subject: Invitation to deliver Webinar on "Patent Filing Documentation' under Institution Innovation Cell

Dear Sir,

I hope this email finds you well. We are currently organizing a Webinar on 'Patent Filing Documentation" scheduled to take place on 17th Feb,2024 at virtual mode. Given your extensive knowledge and experience, we believe that your insights would greatly benefit our audience.

Therefore, we would be honored to invite you to deliver a guest lecture. The expected duration for the lecture is approximately 1 to 1hour including a Q&A session. We believe that your perspective will add significant value to our program.

Details of the event:

Date: 17th Feb, 2024

Mode : Online

Time : 10 am to 11 am

If you are available and interested in participating, we would be delighted to discuss further details, including any specific topics or themes you would like to address during your lecture.

Please let us know your availability at your earliest convenience. If you have any questions or require additional information, feel free to contact me at dhanashree.pisal@indiraicem.ac.in & Contact No. 7972308184.

Report On “Entrepreneurship...The Way Ahead Session”

Institution's Innovation Council at ICEM & MCA Department organizes session on “Entrepreneurship.....The way ahead” on 15th March, 2024. The objective of the entrepreneurship session was to introduce students to the concept of entrepreneurship, its importance in today's world, and to provide them with essential insights and tools to foster their entrepreneurial mindset.

The entrepreneurship session commenced with an introduction to the concept of entrepreneurship, emphasizing its significance in driving innovation, creating job opportunities, and contributing to economic growth. Through interactive discussions and real-life examples, students were encouraged to explore the traits and characteristics of successful entrepreneurs, such as resilience, creativity, and adaptability.

Key Topics Covered:

- 1. Understanding Entrepreneurship:** The session began by defining entrepreneurship and differentiating it from traditional employment. Students learned about the various forms of entrepreneurship, including startups, social entrepreneurship, and intrapreneurship within existing organizations.
- 2. Identifying Opportunities:** Participants were guided through the process of recognizing entrepreneurial opportunities in their surroundings. They were encouraged to observe market gaps, consumer needs, and emerging trends as potential areas for innovation and business ventures.
- 3. Business Planning:** An overview of the importance of business planning was provided, highlighting the significance of clear goals, market analysis, financial projections, and strategic planning in launching and sustaining a successful venture.

4. **Financial Management:** Basic principles of financial management, including budgeting, cash flow management, and fundraising, were covered to equip students with the necessary financial skills for managing their ventures.
5. **Networking and Resources:** The importance of building a strong network of mentors, advisors, and industry connections was emphasized, along with the availability of resources and support systems for aspiring entrepreneurs, such as incubators, accelerators, and funding opportunities.

Activity Report

Session on “Research schemes and AI tools used for research”

Date: 26th June 2024

Venue: Indira college of Engineering & Management, Pune

Objectives

- To provide an overview of available research funding opportunities.
- To highlight AI tools that can enhance research productivity and efficiency.

Agenda:

1. Type of Grants
2. Funding Agencies
3. Guidelines for use of AI tools in Research

Purpose: To educate and guide on how to use AI tools for research.

Key speaker:

Dr. Poornashankar,
Dean R & D
ICEM

Highlights:

- ❖ Securing research funding and utilizing AI tools are critical for advancing scientific knowledge and innovation.
- ❖ Government agencies, private foundations, and corporate funding sources offer numerous opportunities for researchers.
- ❖ AI tools to enhance research productivity and efficiency.

INDIRA COLLEGE OF ENGINEERING AND MANAGEMENT

Parandwadi, Pune – 410506, Ph. 02114 661500, www.indiraijem.ac.in

001

Conclusion: Researchers should leverage these resources to maximize their research potential and impact. Faculties get more knowledge about research funding and AI tools for research.

Activity Report

Webinar on “Turnitin”

Date: 9th July 2024

Venue: Online mode

Objectives

- Educate users on the importance of academic integrity and the role of Turnitin in promoting honest academic practices.
- Introduce the Turnitin platform, its features, and functionalities.

Trainer: Ashita Khandelwal

Training Details:

- The Turnitin training session was designed to provide participants with a comprehensive understanding of the Turnitin software, focusing on its features, functionalities, and best practices.
- Familiarize participants with the Turnitin interface and tools.
- Enhance understanding of academic integrity and plagiarism prevention.
- Equip educators with skills to provide effective feedback using Turnitin.
- Demonstration of how to submit papers and in-depth look at interpreting similarity reports, understanding the percentage of matches, and identifying potential plagiarism.

The screenshot shows a presentation slide with the following content:

iThenticate **turnitin**

Plagiarism vs Text similarity

Text Similarity: When the ideas or words of another are present in one's work

Plagiarism: When someone uses the ideas or words of another without proper acknowledgement, credit or attribution

At the bottom of the slide, there is a navigation bar with icons for back, forward, and search, along with a timestamp: 00:07:04 / 01:00:01.

Conclusion:

Throughout this session, we have explored the various features and functionalities that Turnitin offers to enhance academic integrity and streamline the process of checking for originality in students' work.

Exhibition of Research Projects

Date: 19th April 2024

Venue: Indira college of Engineering & Management, Pune

Objectives

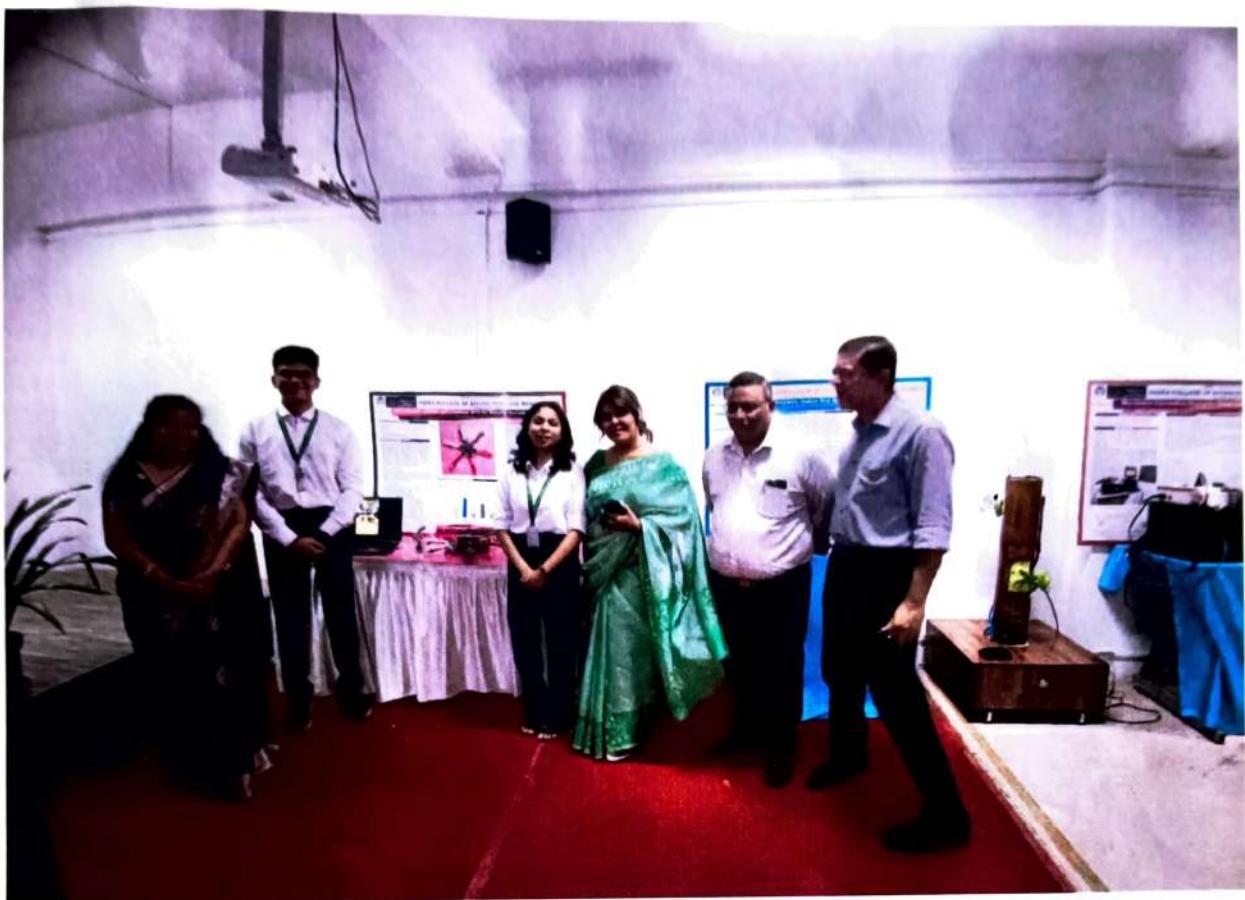

- Showcase the diverse range of research projects initiated with seed funding.
- Provide a platform for researchers to present their findings and methodologies.
- Inspire and encourage further research and development through shared knowledge and experiences.

Highlights:

- ❖ The Seed Funded Research Exhibition, was an enlightening showcase of innovative research projects funded through initial seed grants.
- ❖ The event brought together researchers, faculty and students, to celebrate and explore groundbreaking ideas that hold promise for future advancements.
- ❖ The exhibition aimed to highlight the significant contributions of early-stage research and foster collaboration among various stakeholders.

Conclusion: The Seed Funded Research Exhibition was a resounding success, effectively showcasing the importance and potential of seed-funded projects.
