

Ref. No: ICEM/FE/2022/Induction Report

Date: 16th December 2022

Report

Indira college of Engineering and Management organize an induction program for FE and DSE students on 16/12/2022 at 11:00 AM. The theme of the induction program was “GENESIS_ The new beginning”.

In the presence of Chairperson Dr. Tarita Shankar, dignitaries, Principal, HOD's, staff members and all students Induction program starts with National Anthem and then Indira AV is displayed. Students perform a inspirational kit on college life.

Principal Dr. Sunil Ingole addressed to students about methodology used in engineering, importance of attendance. In the whole journey of engineering students have to focus on academics, attendance, sincerity, capacity building, communication skills, seminar and projects.

The toppers were felicitated by chairperson. Alumni have shared their experience as a entrepreneur and given feedback in the programme.

Dr. Tarita Shankar appreciate the anchors. She said every moment is beginning there is no end, life is a journey full of unforeseen miracles, Success, make your identity unique, the best is yet to come, believe on your self, expect from no one.
