One Page report on 15th August 2023

The campus of Indira College of Engineering and Management in Pune was filled with patriotic fervor and enthusiasm on the occasion of India's 77th Independence Day. The day was marked by a grand celebration that brought together students, faculty, and esteemed guests to honor the nation's freedom struggle and its progress since gaining independence.

The event began with the unfurling of the national flag by the college principal, followed by the singing of the national anthem. The students and staff members gathered around, their hearts swelling with pride and unity.

The event was graced by two distinguished chief guests, whose accomplishments and dedication to the nation served as an inspiration to all. Mr. Sachin Khilari, won gold medal in Men's shot put final F46 event at para athletics world championship 2023, qualifies for Paris Paralympics 2024 was one of the chief guests. His remarkable journey of triumphing over challenges and achieving excellence despite adversity resonated deeply with the audience. Mr. Khilari's presence instilled a sense of determination and motivation among the attendees.

The second chief guest, Mr. Sikandar Inamdar, a Range Forest Officer, added another layer of significance to the celebration. His dedication to environmental conservation and protection of the nation's natural resources highlighted the holistic approach to patriotism – one that involves safeguarding not only our freedom but also our land and heritage.

A pivotal aspect of the celebration was the initiation of a pledge to support the government's initiative, "Meri Mati Mera Desh." This campaign encourages citizens to contribute to the development and upliftment of their local communities and the nation at large. The pledge reinforced the idea of taking ownership and responsibility for the betterment of our land, culture, and society. It served as a reminder that every individual has a role to play in shaping the destiny of the nation.

The Independence Day celebration at Indira College of Engineering and Management, Pune, was a resounding success, leaving everyone with a renewed sense of patriotism, responsibility, and determination to contribute to the nation's growth. The presence of Mr. Sachin Khilari and Mr. Sikandar Inamdar, along with the "Meri Mati Mera Desh" pledge, made this event not only a commemoration of historical achievements but also a forward-looking commitment to building a stronger and more prosperous India.
