Stakeholder Feedback Report about Curriculum (2023-24)

The Indira College of Engineering and Management has its stakeholder's feedback system in which it receives feedback from various stakeholders namely, Students, Teachers, Alumni and Employer.

This feedback plays a vital role in the design and development of the curriculum and its implementation for institutional development.

Objectives:

· To upgrade the teachers in order to improve delivery and /or content of the curriculum.

· To improve the overall quality of the institute as par the stakeholder's expectations.

· To provide students with the opportunity to comment on the quality of their learning experiences.
